It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance, and cross cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical, and boring cuts, as well as trimming and cross cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick back, and identifying dangerous trees. An explanation of the tension and compression forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment, and helps you select the right chainsaw and personal protection equipment for your needs. Trouble shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must have for anyone operating a chainsaw. *Chainsaw Manual for Homeowners* Brian J. Ruth, 2018-08-14 Taking the fear out of chainsaws by emphasizing safe handling practices, this resource aims to put raw power in the hands of everyday yardworkers. With step by step color photographs throughout, 12 of the most common household chainsaw operations, such as grooming hedges, trimming branches, felling trees, bucking trees, and cutting firewood, are tackled with expert advice and sure handed guidance. With an additional section devoted to chainsaw types, potential buyers can also assess which size and type of chainsaw best meets their needs. Also included is an appendix that has useful technical information and identifies the parts of a chainsaw and how each functions. **Axes & Chainsaws** Rockwell Stephens, 1979-01-06 Since 1973 Storey's Country Wisdom Bulletins have offered practical, hands on instructions designed to help readers master dozens of country living skills quickly and easily. There are now more than 170 titles in this series, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.
