Blues Mamas and Broadway Belters Masi Asare, 2024-09-20 In *Blues Mamas and Broadway Belters* songwriter scholar and dramatist Masi Asare explores the singing practice of black women singers in US musical theatre between 1900 and 1970 Asare shows how a vanguard of black women singers including Gertrude Ma Rainey Bessie Smith Ethel Waters Pearl Bailey Juanita Hall Lena Horne Eartha Kitt Diahann Carroll and Leslie Uggams created a lineage of highly trained and effective voice teachers whose sound and vocal techniques continue to be heard today Challenging pervasive narratives that these and other black women possessed untrained voices Asare theorizes singing as a form of sonic citational practice how the sound of the teacher's voice lives on in the student's singing From vaudeville blues shouters black torch singers and character actresses to nightclub vocalists and Broadway glamour girls Asare locates black women of the musical stage in the context of historical voice pedagogy She invites readers not only to study these singers but to study with them taking seriously what they and their contemporaries have taught about the voice Ultimately Asare speaks to the need to feel and hear the racial history in contemporary musical theatre

Embodied Voices Leslie C. Dunn,Nancy A. Jones,1994 As a material link between body and culture self and other the voice has been endlessly fascinating to artists and critics Yet it is the voices of women that have inspired the greatest fascination as well as the deepest ambivalence because the female voice signifies sexual otherness as well as sexual and cultural power Embodied Voices explores cultural manifestations of female vocality in the light of current theories of subjectivity the body and sexual difference The fourteen essays collected here examine a wide spectrum of discourses including myth literature music film psychoanalysis and critical theory Though diverse in their critical approaches the essays are united in their attempt to articulate the compelling yet problematic intersections of gender voice and embodiment as they have shaped the textual representation of women and women s self expression in performance **Katie Kelly and Her**
