Encyclopedia of Business Analytics and Optimization Wang, John, 2014-02-28. As the age of Big Data emerges, it becomes necessary to take the five dimensions of Big Data: volume, variety, velocity, volatility, and veracity, and focus these dimensions towards one critical emphasis: value. The *Encyclopedia of Business Analytics and Optimization* confronts the challenges of information retrieval in the age of Big Data by exploring recent advances in the areas of knowledge management, data visualization, interdisciplinary communication, and others. Through its critical approach and practical application, this book will be a must-have reference for any professional leader, analyst, or manager interested in making the most of the knowledge resources at their disposal.

Practical Management Science Wayne L. Winston, S. Christian Albright, 2015-01-01. Geared entirely to Excel 2013, *PRACTICAL MANAGEMENT SCIENCE 5e* helps students understand and take full advantage of the power of spreadsheet modeling. It integrates modeling into all functional areas of business: finance, marketing, operations management, using real examples and real data. Emphasizing applied, relevant learning, the text presents just the right amount of theory to ensure students understand the foundation of the topic, followed by exercises that give them practical, hands-on experience with the methodologies. It focuses on modeling over algebraic formulations and memorization of particular models. The Fifth Edition includes the latest changes in the accompanying RISK and PrecisionTree add-ins, incorporates BigPicture diagrams of spreadsheet models into the optimization chapters, and provides new and updated cases throughout. The online Chapter 16, Multiobjective Decision Making, is now more conceptual, while Chapter 9, Decision Making Under Uncertainty, extends a single new product decisions example throughout the chapter. In addition, almost 30 new tutorial videos explain concepts and work through examples. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
