The Special Constabulary Karen Bullock, Andrew Millie, 2017-07-06 Special constables are warranted officers retained within British constabularies Wearing similar uniforms carrying the same personal protective equipment and holding identical powers to enforce the criminal law special constables are to all intents and purposes indistinguishable from their colleagues in the regular police service However very little is documented about the experiences and motivations of special constables the roles they play in contemporary policing or the impact that they have on the police organisation This book draws together academics and practitioners to provide a valuable insight into historical international and contemporary themes pertinent to the historical development and contemporary operation of the special constabulary. The book critically considers the origins of the special constabulary and the political social and economic factors which led to its evolution over time It compares and contrasts the organisation functions and status of the special constabulary with other auxiliary forces notably from the United States The book also contributes to theoretical understanding of contemporary policing to debates about the roles and operation of the mixed economy of provision and informs policy and practice in the United Kingdom and Inside an African Police Force Jude Kagoro, 2022-10-18 The book discusses police practices in Uganda which are beyond understood as fluid and reflective of the socio political cognitive and discursive contexts within which the Uganda Police Force UPF exist The author was immersed in the UPF both as an ethnographer and a consultant The book demonstrates how police officers navigate clashes between personal interests and those of the UPF shedding more light on the divergences and convergences between policies in theory and policies in practice It contributes to the literature on police research especially to our understanding of policing and the anthropology of the state in Africa It highlights that the Ugandan police engages in political policing and its role is stretched beyond its legal mandate.
