[From Small Screen to Vinyl](#) Bob Leszczak, 2015-06-25 From its infancy television networks and studios explore others avenues to increase their revenues Conveniently enough several film studios and production companies MGM MTM Columbia Screen Gems Talent Associates Warner Brothers had their own record label divisions The obvious benefit was cross promotion a television series could be plugged on the record and the record could be promoted on the TV show Though few and far between several television performers went on to become major recording stars Ricky Nelson started as a child actor on *The Adventures of Ozzie and Harriet* before dominating rock and pop charts Johnny Crawford of *The Rifleman* Walter Brennan of *The Real McCoys* and even Bruce Willis of *Moonlighting* all scored Top Ten hit singles But these were just the standouts from the hundreds of TV actors who recorded songs and the stories behind their records are simply fascinating In *From Small Screen to Vinyl A Guide to TV Stars Who Made Records 1950-2000* author Bob Leszczak offers a look at hundreds of stars who performed double duty as a television performer as well as a recording artist He looks not only at the show and the performer but the behind the scenes dramas that unfolded as each attempted to tackle the two different mediums Through his interviews with many of these multitaskers the author has uncovered new and mostly never before known facts about those who sought to conquer the world of vinyl As Leszczak stresses most eagerly embraced the opportunity to record while others saw it as a necessary evil the result of contractual obligations or industry pressures Entries are listed alphabetically from Nick Adams of *The Rebel* to Efrem Zimbalist Jr of *77 Sunset Strip* Also included are over 80 photos of these rare releases taken from the author s private collection For a new look at your old favorites *From Small Screen to Vinyl* will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess Baby boomers fans of classic hits radio and devotees of classic TV programs will find *From Small Screen to Vinyl* a treasure trove of TV and record trivia and no TV or music library can be

Lundberg,2016-06-28 An inspirational true story of my life as an only child and my HEALING from years of sexual abuse anxiety major depression suicidal thoughts multiple personalities panic attacks agoraphobia PTSD and essential tremor Did you know that there are over 99 different after effects of sexual abuse I dealt with approximately 75% of those after effects throughout my life I have carefully outlined and detailed the keys and tools I used to unlock all the trauma The first symptom that grabbed me was fear when I was under age five I became shy and withdrawn and only wanted to wrap my arms around my mothers legs and hide in her full skirt Sucking my thumb was my only comfort when I was alone Unfortunately sucking my thumb caused buck teeth that brought on bullying and taunting by the other kids in the neighborhood and in school The bullying and taunting made me want to be invisible The shyness was so extreme that I didn t want to raise my hand in school even when I knew the answer because I would blush and then the teasing from other kids followed The night terrors began in the fifth grade which included a big black bear which would chase me every night and devour me The urge to be invisible brought on suicidal thoughts in junior high which I knew was wrong but life was just too hard I obsessively worried about any social interaction especially going to school I lived for Fridays which would give me at least two days rest However the worry returned Saturday night and was with me all Sunday thinking about Monday and returning to school again Life as a teenager was difficult at home because Mom was displaying odd behaviors She believed that people were watching her through the television and heat ducts I wanted to help my mom but I didn t know how Dad was my buddy In the tenth grade an extreme explosion happened inside of me in the school lunchroom I later learned that the correct terminology was panic attack I rarely took lunches again around other people for fear of another panic attack After high school graduation I moved out on my own still suffering from panic attacks anxiety obsessive worry and major depression Every year my problems got worse

and worse and worse and I didn't know why Finally I gathered all my courage together and sought help After many unsuccessful sessions with doctors and counselors I found one who actually helped me He taught me tools and tips to deal with all my present issues The healing didn't start until repressed memories revealed themselves to me at the age of 37 Confronting my abusers started me on a path of true healing Today I live a life filled with Peace and Joy and Happiness and I want everyone that has ever suffered from trauma to feel the way I do now **A Guide to Television's Mayberry R.F.D.**
