Environmental Problem Solving Jeffrey W. Hughes, 2013-08-02 As environmental problems become increasingly complex it is critical that students and activists learn the skills with which to address them Although there already are many case studies of actual issues only in the last few years have environmental scientists paid close attention to their resolution *Environmental Problem Solving* teaches these skills Jeffrey W Hughes creates an organized method for approaching problems understanding larger issues and crafting solutions to a wide range of contemporary environmental issues Many environmental activists often have preconceived ideas of environmental protection and problem solving They react emotionally to news of deforestation a new housing development or a planned big box store without thinking about the problem logically and they may automatically regard foresters development companies and corporations as opponents As their views harden discourse turns acrimonious and it becomes ever more difficult to find satisfactory solutions This book teaches those on both sides of the table to address their own preconceptions and approach hard issues critically methodically and fairly Hughes combines aspects of the decision making process from the fields of business management and communication science based on extensive research and ample practical experience in the field and classroom He creates a logical framework to help guide thinking from identifying a problem to finding its solution Using examples drawn from real life situations *Environmental Problem Solving* will become an invaluable guide for environmentalists agency professionals consultants students naturalists and concerned citizens *An Environmental Leader's Tool Kit* Jeffrey W.

Hughes, 2023-03-15 If you want to tackle an environmental problem in your neighborhood but do not know where to start *An Environmental Leader's Tool Kit* can help In this handbook Jeffrey W Hughes shares the proven strategies you need to step up and get meaningful action done From designing a pilot study to managing contentious public meetings and more Hughes walks you through the essentials of effective place based environmental efforts Among the tools you will find here are worksheets to kickstart brainstorming appendixes that demystify jargon you might encounter and illuminating real life examples Down to earth and stimulating *An Environmental Leader's Tool Kit* is a launchpad for those ready to make a difference now **Choice**, 2007 *Abstracts of Public Administration, Development, and Environment*, 2007
