

Jessie used 3 bags to bring home the goldfish she won at the Fun Fair. She put the same number of goldfish in each bag. How many goldfish did she win?

I can use counters to show the groups.

8 goldfish in each bag

The counters show 3 groups of 8 goldfish.

You can use addition to join **equal groups**.

$$8 + 8 + 8 = 24$$

Multiplication is an operation that gives the total number when you join equal groups.

Factors are the numbers that are being multiplied. The **product** is the answer to a multiplication problem.

You can write **equations**.

An **unknown** is a symbol that stands for a number in an equation.

Addition equation:
 $8 + 8 + 8 = ?$
 $8 + 8 + 8 = 24$

Multiplication equation:
 $3 \times 8 = ?$
 $3 \times 8 = 24$

Jessie won 24 goldfish.

Convince Me! **Model with Math** Suppose Jessie won 5 bags of 8 goldfish. Draw a bar diagram and write an addition equation and a multiplication equation to represent the problem.

School Counseling to Close Opportunity Gaps Cheryl Holcomb-McCoy,2022-01-20 Create conditions that lead to success for ALL students and confront conditions that create opportunity gaps This new edition of a bestseller shows school counselors how to incorporate principles of social justice antiracism equity and advocacy into their practice and addresses the reasons why some students are more likely to encounter challenges at school due to racism sexism heterosexism and classism It includes Vignettes strategies activities and reflective individual and group study questions A framework for how school counselors can mitigate the impact of negative factors that hamper academic performance and healthy development especially among students of color Six functions of school counselors that move schools toward more just practices and ultimately to higher test scores and increased student achievement **The Transformational Odyssey** Robert Barner,2017-07-01 The Transformational Odyssey was written to help those individuals who are facing difficult life transitions and who are attempting to successfully navigate tough life decisions and engage in deep self discovery Unlike other self help books that attempt to provide readers with homespun advice for addressing difficult life challenges The Transformational Odyssey shows readers how to take charge of their self growth and development It does this by providing readers with several applied techniques for engaging in deep self learning in a more profound and fundamentally life changing way The title The Transformational Odyssey reflects the book s integrative metaphor of transformational learning as a personal odyssey of self discovery The word odyssey connotes a long and sometimes arduous and meandering journey Although an odyssey may present the traveler with unexpected trials and challenges in the end it may yield increased wisdom and knowledge Building on this metaphor The Transformational Odyssey introduces readers to eight passages that they will inevitably encounter during their own personal odysseys of self discovery Each of these passages involves a uniquely different learning challenge that as it is successfully navigated increases the reader s capacity for self growth The Transformational Odyssey is written in a conversational style as if the author were sitting down next to the reader to share my forty plus years of experience as a personal coach and life transition counselor Since different people learn in different ways this book incorporates a variety of different learning methods including actual cases exercises suggested actions

famous quotes and metaphors For those readers to would like to dig deeper on a given topic at the end of each chapter the author has included a separate section that introduces readers to related cutting edge research in the field of human psychology The topics included in these sections cover such areas as mindfulness meditation narratives and future selves

ENDORSEMENTS The Road to self discovery is one that has been traveled before The Transformational Odyssey explores this journey in a unique and different way by beginning at the intersection of academic exploration and the examination of authentic experiences Robert Barner finds ways to challenge his readers while also guiding each person in a way that is most logical and emotionally transcendent to them And he does so in an insightful compelling way I highly recommend this book to anyone who is ready to be vulnerable and wants to grow Kevin Beachum Jr NFL Athlete Investor Speaker Philanthropist This is a dazzlingly ambitious book and it does not disappoint Thought provoking compelling and an extraordinary source of scientifically based insight for anyone seeking to improve their lives Jim Loehr Best Selling Author Co Founder of The Human Performance Institute The Transformational Odyssey enlists the reader in a powerful journey grounded in their own creative imagination and wells of inspiration This road of self renewal is exciting and dangerous and the work is not for the timid Robert Barner knows the territory intimately and is a guide you can both trust and enjoy Charles J Palus Senior Fellow Center for Creative Leadership In The Transformational Odyssey Dr Robert Barner offers what few self help books do a research based journey into self awareness leading to real and sustained change In embarking on this journey readers will become more attuned to their experiences more open to others and more effective leaders partners parents and friends I highly recommend this book for those courageous enough to encounter transformational learning Jaime Goff Certified Executive Coach and President The Empathic Leader LLC
