System Mometrix Media, 2010 **Demythologizing Educational Reforms** Arthur T. Costigan, Leslee Grey, 2014-08-21
 There are dozens of myths surrounding educational reform today maintaining the school's role in economic competitiveness
 the deficiency of teachers the benefits of increased testing and the worthiness of privatization In this volume the editors
 argue that this discussion has been co-opted to reflect the values and worldviews of special interest groups such as elites in
 power politicians corporate educational foundations and the media Prominent educational writers tackle contemporary issues
 such as neoliberalism suburban schooling charter schools and parental involvement They expose the logic behind the talk
 and critically examine these problematic beliefs to uncover meaningful improvements in education which are better
 grounded in the social economic political and educational realities of contemporary society Staar Eoc U.S. History
