Fatal The Fatal Series Book English Edition:

State of the Union (First Family Series, Book 3) Marie Force, 2022-09-20 It's the biggest night of President Nick Cappuano's life. Will his first lady make it to the Capitol in time for his speech? President Cappuano has been working for months on his first State of the Union address, his highest profile moment yet as the country's new president. He's dealing with a wide array of complex issues and is counting down to the televised speech before a joint session of Congress. While he tries to strike the right tone to assure the American people that their new president is hard at work on their behalf, his wife Metro Police Lt Sam Holland is faced with one of the most confounding cases of her career and juggling some complex issues at home with the couple's children. Add to that some vexing security concerns and the first couple are on edge as they wonder whether they'll pass this first big test for the fledgling Cappuano administration. As always when things get too hot to handle in the rest of their lives, Sam and Nick turn to each other for solace as their bond grows deeper by the day in this latest installment in the First Family Series.

State of Alert Marie Force, 2024-12-25 Great characters, awesome storylines, an extremely difficult book to put down after the first pages. Lots of laughs, a few tears on occasion, but just the most enjoyable read. Amazon reviewer. The first couple is on full alert, deflecting new threats from near and far. Lieutenant Sam Holland has seen just about everything as a D.C. homicide detective, but she's never been asked to lie to her closest colleagues and her husband until now. With national security on the line, Sam makes a deal with the devil that quickly comes back to haunt her as she assists in a baffling case that leads right back to the Oval Office, where her husband is mourning the loss of his trusted aide, Navy Lieutenant Juan Rodriguez. For President Nick Cappuano, the betrayal cuts deep. The military advisers he inherited from the Nelson administration plotted to remove him from office, and now the young man who warned him of their deceit is dead. But nothing is as it appears, and with the NCIS building a case against the disgraced Joint Chiefs, Nick is forced to carry on with the duties of his office while wondering who's coming for him next. Sam no sooner gets one situation under control when another murder victim requires her full attention. A woman tied to an earlier cold case is found dead in her home in a case that'll have Sam and her team digging deep into the past to find a ruthless killer while wondering if they should be looking much closer to home for the person who wanted her dead. As if they didn't have enough to worry about, a new threat to their happy family has them considering drastic measures to protect the ones they love the most. While storms rage all around them, Sam and Nick take refuge in each other and find the strength they need to carry on.

State of Affairs (First Family Series, Book 1) Marie Force, 2021-04-20 The phone call that changed their lives forever. As they go through the motions to ensure a peaceful transition of power, Sam has a million and one concerns about her husband, her family, the Nelson family, the country, and the enormity of what Nick is about to take on. In the back of her mind is another

major concern What does this mean for my job No other first lady in history has held a job outside the White House but she s determined to be the first to blaze new trails for those who will follow her However in order to do that she quickly realizes that compromises will have to be made to continue working as a Homicide detective Their lives become an immediate firestorm of meetings requests for interviews difficult questions from their children and a host of potential landmines to navigate as they make the transition from second family to first family An unexpected issue with a diplomatic trip to Iran quickly thrusts Nick into the thick of his new responsibilities while Sam confronts a murder investigation that may have ties to a cold case from fifteen years ago As everything around them spins out of control Sam and Nick take refuge with each other relying on their unbreakable bond to see them through the storm
