The Art of Disruption Paul Fromberg, 2021-04-16 As the Church considers prayer book revisions discover new ways of bringing prayer to life In many liturgical churches it seems that the prayer book confines more than frees the transformational potential of worship Drawing on his experience at St Gregory of Nyssa Paul Fromberg encourages us to question the assumption that there is a right way and a wrong way of using prayer books Instead he encourages readers to pay attention to doing worship well and engaging worshippers desire to be transformed This book is for those who plan and lead worship as well as those who are curious about the ways that worship is transformative in people s experience Additionally fans of St Gregory of Nyssa Episcopal Church will discover more about the ways in which this ground breaking congregation has engaged the work of liturgical disruption and trusted in the transformative potential of the liturgy for more than forty years

Breaking White Supremacy Gary Dorrien, 2018-01-09 The award winning author of *The New Abolition* continues his history of black social gospel with this study of its influence on the Civil Rights movement The civil rights movement was one of the most searing developments in modern American history It abounded with noble visions resounded with magnificent rhetoric and ended in nightmarish despair It won a few legislative victories and had a profound impact on U S society but failed to break white supremacy The symbol of the movement Martin Luther King Jr soared so high that he tends to overwhelm anything associated with him Yet the tradition that best describes him and other leaders of the civil rights movement has been strangely overlooked In his latest book Gary Dorrien continues to unearth the heyday and legacy of the black social gospel a tradition with a shimmering history a martyred central figure and enduring relevance today This part of the story centers around King and the mid twentieth century black church leaders who embraced the progressive justice oriented internationalist social gospel from the beginning of their careers and fulfilled it inspiring and leading America s greatest liberation movement

When we first become parents we don t imagine ever being single parents Regardless this is where we are Instead of evaluating God s love based on your circumstances evaluate your circumstances through the lens of God s love This is what it

is to co parent your children with God The Battle Worth Fighting is both a practical guide to approach the challenges of raising children in this current culture with the social influences they face as well as a guide to spiritual development and growth for your children and you Let God be the authoritative parent for your children Establish the boundaries you know God is leading you to establish Place your priorities where God is showing you to place them Your prayer request is to hear his call and move in the direction he leads This is a game changer Instead of seeking the path to acclaim and earthly accomplishments we seek what God values and wants for us and for our children This is what provides the foundation for how you parent your children and who you teach them to turn to as the authority in their lives God is calling us to invest in our children so they can become who God had in mind when he created them Tea Sticky Buns and the Body of Christ

Diane Bones,2009-02 **Another Day in Nazareth** Barry Blackstone,2019-01-03 Have you ever wondered what Jesus saw heard and did during his so called silent years between his birth in Bethlehem after his trip to Egypt and before his baptism at the Jordan River The only mentioned event in the Gospels from that time frame was being forgotten in Jerusalem by his parents at the age of twelve as recorded by Luke Barry Blackstone takes you on an imaginative journey an inspiring jaunt into those days of Jesus as he remembers his own boyhood and early childhood experiences in the tiny farming village of Perham Maine a hamlet similar in size and nature to the Nazareth of Jesus day After visiting an archeological site in Nazareth in 2010 Blackstone realized the parallels between his obscure upbringing and the quiet years of the Savior in his boyhood home It is the wish of the author that his reader might see through a morning dew a blossoming flower a blue sky a gentle rain a brilliant rainbow a crowing rooster a loving sister and a father s carpenter s shop into the life of the boy Jesus Blackstone attempts to fill in some of the gaps in the story of Jesus by sharing his barnyard memories with an application to the teaching of the adult Jesus Can one see insights into what Jesus experienced in the lessons parables and teachings of his adult ministry *The Book of Scripture vs. Culture* Pastor Raymond Vietmeier,2020-03-23 The Book of Scripture vs Culture explains what the title implies It uses biblical scriptures to explain about the difference of the culture in the United States from the scriptures that say what God expects us to do The book explains how one person was guided by God from childhood until he ultimately made that person into a preacher and a disciple Since the author could not know the details of another person s relationship with the Holy Trinity he used his own life story Following that story he explains about miracles God performed in order to protect him from harm so he would ultimately do the work God had planned for him from the time of conception Also this book goes into great detail as to what is going wrong with our cultureit is going in the opposite direction from what God expects of us in the Holy Bible As an ordained independent minister the author tries to back up everything he writes with scripture He also describes how God personally directs and guides him when writing sermons and also writing the books God wants him to write The author hopes you not only enjoy reading this book but also may learn things of which you were not previously aware May God bless America and may we change our cultural direction to agree with the holy

scriptures This Little Light of Mine Shirley Adame,2012-08 This story gives a detailed description of Shirley s struggles of having lived through decades of unsolicited abuses as a child while living in Eastern Kentucky After marrying to get away from home she lived in Texas thinking that she could escape her past injustices After being divorced in her late thirties and having two teenage children to look after Shirley found it hard to be on her own and eventually ended up homeless and without her children Despite her living situations Shirley took back her life and emerged happy healthy and whole Within the pages of her story you will see clearly how she kept her faith in the God she had been raised to believed to be a crude and unloving being but pressed on to learn that He is indeed a friend that sticks closer than a brother She was able to receive the love of her Father in heaven and have restoration with her earthly father as well **Goldenseal** ,1999
