Martin, Ashley E. Nickels, Martina Sharp-Grier, 2017-05-18 Feminist programming no matter the venue provides opportunities

for young girls and women as well as men to acquire leadership skills and the confidence to create sustainable social change. Offering a wide ranging overview of different types of feminist engagement the chapters in this volume challenge readers to critically examine accepted cultural norms both in and out of schools and speak out about oppression and privilege. To understand the various pathways to feminism and feminist identity development this collection brings together scholars from education, women's studies, sociology and community development to examine ways in which to integrate feminism and women's studies into education through pedagogy, practice and activism.

Intersectionality and Higher Education W. Carson Byrd, Rachelle J. Brunn-Bevel, Sarah M. Ovink, 2019-05-03. Though colleges and universities are arguably paying more attention to diversity and inclusion than ever before to what extent do their efforts result in more socially just campuses? *Intersectionality and Higher Education* examines how race, ethnicity, class, gender, sexuality, sexual orientation, age, disability, nationality and other identities connect to produce intersected campus experiences. Contributors look at both the individual and institutional perspectives on issues like campus climate, race, class and gender disparities, LGBTQ student experiences, undergraduate versus graduate students, faculty and staff from varying socioeconomic backgrounds, students with disabilities, undocumented students and the intersections of two or more of these topics. Taken together this volume presents an evidence backed vision of how the twenty first century higher education landscape should evolve in order to meaningfully support all participants, reduce marginalization and reach for equity and equality.

Critical Approaches to Women and Gender in Higher Education Pamela L. Eddy, Kelly Ward, Tehmina Khwaja, 2017-01-12. This volume provides a critical examination of the status of women and gender in higher education today. Despite the increasing numbers of women in higher education, gendered structures continue to hinder women's advancement in academia. This book goes beyond the numbers to examine the issues facing those members of academia with non dominant gender identities. The authors analyze higher education structures from a range of perspectives and offer recommendations at individual and institutional levels to encourage activism and advance equality in academia.

The Wiley International Handbook of Service-Learning for Social Justice Darren E. Lund, 2018-08-17. A comprehensive guide to service learning for social justice written by an international panel of experts. *The Wiley International Handbook of Service Learning for Social Justice* offers a review of recent trends in social justice that have been until recently marginalized in the field of service learning. The authors offer a guide for establishing and nurturing social justice in a variety of service learning programs and show that incorporating the principles of social justice in service learning can empower communities to resist and disrupt oppressive power structures and work for solidarity with host and partner communities. With contributions from an international panel of experts the Handbook contains a critique of the field's roots in charity, a review of the problematization of Whitenormativity paired with the bolstering of diverse voices and perspectives and information on the embrace of emotional elements including tension, ambiguity and discomfort. This important resource considers the role of the community in service learning and other

community engaged models of education and practice Explores the necessity of disruption and dissonance in service learning Discusses a number of targeted issues that often arise in service learning contexts Offers a practical guide to establishing and nurturing social justice at the heart of an international service learning program Written for advanced undergraduate students graduate students scholars and educators The Wiley International Handbook of Service Learning for Social Justice highlights social justice as a conflict ridden struggle against inequality xenophobia and oppression and offers practical suggestions for incorporating service learning programs in various arenas

Intersectionality in Educational Research Dannielle Joy Davis,James L. Olive,Rachelle J. Brunn-Bevel,2023-07-03 The purpose of this work is to advance understanding of intersectional theory and its application to research in education The scholars whose work appear in this volume utilize intersectional theory and research methods to work in fields and disciplines such as Education Sociology Women s Studies Africana Studies Human Development Higher Education Administration Leadership Studies and Justice Studies The book illustrates how intersectional theory can be used in both quantitative and qualitative education research on college student access and success faculty satisfaction and professional development and K 12 educational issues such as high school dropouts and bullying This book is unique as no other book ties intersectionality to the research process Key Features Readers will learn the basic tenets of intersectionality and how it can be useful in education research Readers will learn how intersectionality can be used to analyze both quantitative large scale survey and qualitative interview participant observation and ethnographic data Lastly readers will learn how intersectionality can be particularly useful in examining the experiences of diverse groups of students attending elementary schools high schools colleges and universities and faculty working at post secondary institutions Intersectionality is increasingly being used in research and education This theory holds great promise in exploring students experiences in terms of access success and outcomes for marginalized groups In essence application of the theory promotes critical complex thinking regarding the intersectionality of race class and gender and their outcomes

Feminist Community Engagement Achieving Praxis Community Engagement In Higher Education: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. Feminist Community Engagement Achieving Praxis Community Engagement In Higher Education : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Feminist Community Engagement Achieving Praxis Community Engagement In Higher Education : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
