6. Which of the following terms best defines the covers of the New York Journal?

- (1) Muckraker Journalism
- (2) Yellow Journalism
- (3) Plagiarism
- (4) Investigative Journalism

In 1912, Carrie Chapman Catt, president of the National American Woman Suffrage Association, gave a speech before Congress. An excerpt follows:

Is it not clear that American history makes women suffrage inevitable? That full suffrage in twelve states makes its coming in all 48 states inevitable? That the spread of democracy over the world, including votes for the women of many countries, in each case based upon the principles our Republic gave to the world, compels action by our nation. Is it not clear that the world expects such action and fails to understand its delay?

In the face of these facts we ask you Senators and members of the House of Representatives of the United States, is not the immediate enfranchisement of the women of our nation the duty of the hour?....

... Therefore, we hereby petition you, our only designated representatives, to induce our governors by the immediate passage of the Federal Suffrage Amendment and to use your influence to secure its ratification in your own state, in order that the women of our nation may be endowed with political freedom before the next presidential election, and our nation may resume its world leadership in democracy.

Women suffrage is coming—you know it. Will you, Honorable Senators and Members of the House of Representatives, help or hinder it?

7. What is women's suffrage?

- (1) The pain that women had to endure due to inequalities
- (2) The right to vote
- (3) Suffering because women were required to vote
- (4) Suffering from Senators and members of the House of Representatives

8. What amendment was later passed in response to the demands of the National American Woman Suffrage Association?

- (1) 19th Amendment
- (2) 13th Amendment
- (3) 17th Amendment
- (4) 16th Amendment
