Assessing Academic Literacy in a Multilingual Society

Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience

Postcolonial Polysystems Haidee Kruger, 2012 Postcolonial Polysystems The Production and Reception of Translated Children s Literature in South Africa is an original and provocative contribution to the field of children s literature research and translation studies It draws on a variety of methodologies to provide a perspective both product and process oriented on the ways in which translation contributes to the production of children s literature in South Africa with a special interest in language and power as well as post and neocolonial hybridity The book explores the forces that affect the use of translation in producing children s literature in various languages in South Africa and shows how some of these forces precipitate in the selection production and reception of translated children s books in Afrikaans and English It breaks new ground in its interrogation of aspects of translation theory within the multilingual and postcolonial context of South Africa as well as in its innovative experimental investigation of the reception of domesticating and foreignising strategies in translated picture books The book has won the 2013 EST Young Scholar Prize

Ecotheology Levente Hufnagel, 2023-01-11 Ecotheology Sustainability and Religions of the World gives a very interesting overview of the frontiers of scientific research in this important multi and transdisciplinary area Its chapters use ecotheological approaches to discuss the multiple aspects of an environmental crisis from almost every segment of our planet This book will be very useful for everyone researchers teachers students or others interested in the field who would like to gain some insights into this aspect of our culture

Intellectual History in Contemporary South Africa M. Eze, 2016-04-30 In examining the intellectual history in contemporary South Africa Eze engages with the emergence of ubuntu as one discourse that has become a mirror and aftermath of South Africa's overall historical narrative This book interrogates a triple socio political representation of ubuntu as a displacement narrative for South Africa's colonial consciousness as offering a new national imaginary through its inclusive consciousness in which different competing and often antagonistic memories and histories are accommodated and as offering a historicity in which the past is transformed as a symbol of hope for the present and the future This book offers a model for African intellectual history indignant to polemics but constitutive of creative historicism and healthy humanism

Current Issues in Second/Foreign Language Teaching and Teacher Development Thomai Alexiou, Christina Gitsaki, 2016-01-14 Current Issues in Second Foreign Language Teaching and Teacher Development Research and Practice represents a collection of selected papers from the 17th World Congress of the International Association of Applied Linguistics AILA which was held in August 2014 in Brisbane Australia The volume comprises 18 chapters presenting current research projects and discussing issues related to second language acquisition teaching and teacher education in a variety of contexts from around the world This collection of research papers will be of use to both new and seasoned researchers in the field of applied linguistics Teacher educators language teachers and language policy makers will find this volume equally useful as the papers address current issues in language education

Educational Assessment in a Time of Reform Coert Loock, Vanessa Scherman, 2019-11-20 Educational Assessment in a Time of Reform provides background information on large scale examination systems more generally and the South African examination specifically It traces the reforms in the education system of South Africa since 1994 and provides a description of the advances in modern test theory that could be considered for future standard setting endeavours At the heart of the book is the debate on whether the current standard of education in Africa is good enough If not then how can it be improved The aim of this book is to provide a point of departure for discussions on standard setting quality assurance equating of examinations and assessment approaches From this point of departure recommendations for practices in general and the exit level Grade 12 examination results in particular can be made This book is ideal reading for principals teachers academics and researchers in the fields of educational assessment measurement and evaluation

High-Stakes Testing in Education Theo Eggen, Gordon Stobart, 2015-10-14 High stakes educational testing is a global phenomenon which is increasing in both scale and importance Assessments are high stakes when there are serious consequences for one or more stakeholders Historically tests have largely been used for selection or for providing a licence to practise making them high stakes for the test takers Testing is now also used for the purposes of improving standards of teaching and learning and of holding schools accountable for their students results These tests then become high stakes for teachers and schools especially when they have to meet externally imposed targets More recent has been the emergence of international comparative testing which has become high stakes for governments and policy makers

as their education systems are judged in relation to the performances of other countries In this book we draw on research which examines each of these uses of high stakes testing The articles evaluate the impact of such assessments and explore the issues of value and fairness which they raise To underline the international appeal of high stakes testing the studies are drawn from Australia Africa the Caribbean Europe former Soviet republics and North America Collectively they illustrate the power of high stakes assessment in shaping for better or for worse policy making and schooling This book was originally published as a special issue of *Assessment in Education Principles Policy Practice* **SSC GK GENERAL AWARENESS SSC MULTIPLE CHOICE QUESTIONS** Mocktime Publication, SSC GK GENERAL AWARENESS SSC MULTIPLE CHOICE QUESTIONS keywords ssc central police forces cpo capf ssc combined graduate level cgl combined higher secondary level exam chsl 10 2 level exam ssc ldc udc data entry operator exam ssc mts matriculation level exam ssc je civil mechanical electrical engineering exam ssc scientific assistant exam ssc english ajay kumar singh ssc english by neetu singh ssc english grammar ssc english arihant publication ssc previous year solved papers ssc general awareness ssc gk lucent ssc math rakesh yadav ssc previous year question bank ssc reasoning chapterwise solved papers ssc disha books ssc cgl questions ssc cpo questions ssc mts questions ssc chsl questions ssc ldc clerk ssc practice sets ssc online test ssc math chapterwise solved papers ssc english kiran publication ssc cgl cpo mts chsl je exam books ssc online practice sets for computer based exam ssc kiran books disha arihant lucen gk ssc neetu singh rakesh yadav ajay singh books ssc history geography polity economy science mcq ssc math reasoning english gk chapterwise papers last year previous year solved papers online practice test papers mock test papers computer based practice sets online test series exam guide manual books gk general knowledge awareness mathematics quantitative aptitude reasoning english previous year questions mcqs **Parliamentary Papers** Great Britain.
