

How Are You Doing?

Performance assessment

Performance assessment is done twice a year, the first one done six months after your first day of work in Simplex. This is the avenue for you to see how you have fared so far, how your work has impacted the organization, and what you can do to improve your performance moving forward.

Ladder rankings (and compensation)

Here at Simplex, we employ a unique way of ranking our best employees. Just like playing an online game, we use "ladder rankings" to see which employees are top performers in their departments.

Top-ranking ladder employees are given special privileges and compensations such as an extra week of paid vacation, allowances, and other perks.
