 by decade In this section he deals with works on flat patterning draping grading and tailoring techniques as well as on such
 related topics as accessories armor civil costumes clerical costumes dressmakers systems fur gloves leather military
 uniforms and undergarments Seligman then devotes a section to those American and English journals published for the
 professional tailor and dressmaker Here too he includes the related areas of fur and undergarments A section devoted to
 journal articles features selected articles from costume and noncostume-related professional journals and periodicals The
 author breaks these articles down into three categories American English and other Seligman then devotes separate sections
 to other related areas providing alphabetical listings of books and professional journals for costume and dance dolls folk and
 national dress footwear millinery and wigmaking and hair A section devoted to commercial pattern companies periodicals
 and catalogs is followed by an appendix covering pattern companies publishers and publications In addition to full
 bibliographic notation Seligman provides a library call number and library location if that information is available The
 majority of the listings are annotated Each listing is coded for identification and cross referencing An author index a title
 index a subject index and a chronological index will guide readers to the material they want Seligman's historical review of
 the development of publications on the sartorial arts professional journals and the commercial paper pattern industry puts
 the bibliographical material into context An appendix provides a cross reference guide for research on American and English
 pattern companies publishers and publications Given the size and scope of the bibliography there is no other reference work
