

The Cold War Comes Home

Defn: 1. HUAC – The House Committee on Un-American Activities was an investigating committee which looked at un-American propaganda, specifically in Hollywood.

2. Blacklist – It was the practice of denying employment to screenwriters, actors, directors, including who were in Hollywood during the mid-20th century. This was done to the idea that they were somehow allied or connected to the USSR.

Suspected Disloyalty	What were they accused of?	How were they affected by the accusations?	Do the accusations seem to have been fair? Explain.
The Hollywood Ten	They were accused of giving communist propaganda in films.	Some were sent to prison because they refused to testify and others were blacklisted.	No, they were not fair. Many pre-sold or recent worked films were made after the USSR was an ally of the U.S. in WWII.
Alger Hiss	He was accused of spying for the USSR.	He was convicted of perjury and was imprisoned by Nixon.	I think they were fair to convict. He was most likely a communist, but I spy in what purpose the conviction.
