Harbor City Winner Takes All:

Winner Take All T. Davis Bunn, 2014-02-05 Marcus Glenwood's stunning legal victory over the New Horizons corporation in the best selling thriller *The Great Divide* came with a severe personal price. Now barely a year later Glenwood is slowly getting back on his feet back into his legal practice and back into a deeper relationship with Kirsten Stansted. But when the new CEO of New Horizons, the company that once attempted to have Marcus killed, comes to him seeking representation in a personal matter, Marcus is stunned. Dale Steadman's story is heart wrenching but Marcus's instincts for self preservation urge him to turn down the case. Steadman's one year old daughter has been kidnapped by his ex wife, the baby's mother, world renowned opera diva Erin Brandt. Kirsten finally convinces Marcus to help Steadman and soon the case becomes a media sensation. And before long someone is after Marcus and Kirsten using deadly scare tactics. T. Davis Bunn carefully crafts his novels to include a strong spiritual dimension, plumbing the depths of his characters' faith under crisis. Intercut with edge of your seat courtroom scenes, his riveting new thriller takes readers from the American South to London and Germany and from the depths of the soul to the heights of the spirit.

Winner Takes All Laurie Winter, 2019-01-21 Storm Thompson wants to be anywhere but Liberty Ridge. Especially since his hometown also contains his childhood nemesis, Colleen Gardner. With a young daughter and mentally ill mother to care for, he struggles to simply make ends meet. Every day his goal of owning an organic farm slips further out of reach. Psychiatrist Colleen Gardner has her sights set on starting a retreat to help veterans suffering from PTSD. She's done well, but her small town fundraisers just aren't enough. *The Great American Scavenger Hunt* TV show offers a million dollar prize and Colleen and Storm are selected as competitors. Both resolve to do whatever is needed to win, even using the other to get ahead. Storm and Colleen compete to fund their dreams, but their already tattered relationship becomes more strained. Only one will win the money. But will love prove the ultimate prize?

Fulfillment Alec MacGillis, 2021-03-16 A New York Times Book Review Editors Choice. A grounded and expansive examination of the American economic divide. It takes a skillful journalist to weave data and anecdotes together so effectively. Carolyn Kellogg, Los Angeles Times. An award winning journalist investigates Amazon's impact on the wealth and poverty of towns and cities across the United States. In 1937 the famed writer and activist Upton Sinclair published a novel bearing the subtitle *A Story of Ford America*. He blasted the callousness of a company worth a billion dollars that underpaid its workers while forcing them to engage in repetitive and sometimes dangerous assembly line labor. Eighty three years later the market capitalization of Amazon.com has exceeded one trillion dollars while the value of the Ford Motor Company hovers around thirty billion. We have it seems entered the age of one click America and as the coronavirus makes Americans more dependent on online shopping, its sway will only intensify. Alec MacGillis's *Fulfillment* is not another inside account or exposé of our most conspicuously dominant company. Rather it is a literary investigation of the America that falls within that company's growing shadow. As MacGillis shows Amazon's sprawling network of delivery hubs, data centers and corporate

campuses epitomizes a land where winner and loser cities and regions are drifting steadily apart the civic fabric is unraveling and work has become increasingly rudimentary and isolated Ranging across the country MacGillis tells the stories of those who've thrived and struggled to thrive in this rapidly changing environment In Seattle high paid workers in new office towers displace a historic black neighborhood In suburban Virginia homeowners try to protect their neighborhood from the environmental impact of a new data center Meanwhile in El Paso small office supply firms seek to weather Amazon's takeover of government procurement and in Baltimore a warehouse supplants a fabled steel plant Fulfillment also shows how Amazon has become a force in Washington D C ushering readers through a revolving door for lobbyists and government contractors and into CEO Jeff Bezos's lavish Kalorama mansion With empathy and breadth MacGillis demonstrates the hidden human costs of the other inequality not the growing gap between rich and poor but the gap between the country's winning and losing regions The result is an intimate account of contemporary capitalism its drive to innovate its dark pitiless magic its remaking of America with every click
