Lichtenwalter,2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John s vision seems more like a nightmare But the elderly apostle begins with a statement that doesn t seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can t afford to miss Larry Lichtenwalter explores a side of Revelation seldom portrayed Christ s passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John s vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ s love these scenes and symbols would mean nothing Ultimately John s vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return **Marian Moments in Early Modern British Drama** Lisa Hopkins,2016-05-06 Concerning itself with the complex interplay between iconoclasm against images of the Virgin Mary in post Reformation England and stage representations that evoke various Marian moments from the medieval Catholic past this collection answers the call for further investigation of the complex relationship between the fraught religio political culture of the early modern period and the theater that it spawned Joining historians in rejecting the received belief that Catholicism could be turned on and off like a water spigot in response to sixteenth century religious reform the early modern British theater scholars in this collection turn their attention to the vestiges of Catholic tradition and culture that leak out in stage imagery plot devices and characterization in ways that are not always clearly engaged in the business of Protestant panegyric or polemic Among the questions they address are What is the cultural function of dramatic Marian moments Are Marian moments nostalgic for or critical of the Old Faith How do Marian moments negotiate the cultural trauma of iconoclasm and or the Reformation in early modern England Did these stage pictures of Mary provide subversive touchstones

for the Old Faith of particular import to crypto Catholic or recusant members of the audience
