Virkler, 1981 A Christian's Guide to Critical Thinking Henry Virkler, 2006-06-26 Have you ever heard a Bible interpretation or a scientifically based argument that just didn't seem correct Did you wish you knew how to show that it wasn't true In a postmodern society Christians are increasingly confronted with assertions that contradict the principles they believe They need to be able to critically analyze arguments and know how to refute in a gentle way those assertions that are not true In order to do this Christians need three sets of skills hermeneutical skills to know how to accurately interpret God's Word and be able to correct misinterpretations of Scripture research design and statistical skills to be able to examine statements about God's world and evaluate whether or not they represent valid conclusions from the data knowledge of logical fallacies in order to be able to identify when invalid inductive or deductive conclusions were being drawn either from God's Word or from research studies about God's world This book will help you be able to do the following know and use valid hermeneutical skills understand research design and statistical analysis techniques recognize logical fallacies and replace them with accurate analyses An excellent resource for pastors Sunday school teachers and group leaders this book is as practical as it is valuable for persons who want to discern truth and refute error in a spirit of love **40 Questions About Interpreting the Bible** Robert L. Plummer, 2021-05-25 A vital Bible resource used in classrooms and churches worldwide now revised and updated 40 Questions about Interpreting the Bible now in a revised second edition probes the most pressing problems encountered by churchgoers and beginning Bible students when they try to read and understand the Bible Using feedback received from pastors professors and Bible teachers New Testament professor Robert L. professors pastors and Bible study leaders as a go to guide or textbook New Testament scholar Robert L Plummer covers historical interpretive practical and theological matters such as Were the ancient manuscripts of the Bible transmitted accurately Why can t people agree on what the Bible means How do we interpret the Psalms How can I use the Bible in daily devotions Does the Bible teach that God wants Christians to be healthy and wealthy 40 Questions about Interpreting the Bible provides crucial assistance for students ready to engage with biblical scholarship and for teachers eager to lead Bible studies with confidence

The Gospel According to ANE Covenant Understanding Dave Schoch,2014-01-15 Most Christians in the Church today in the West do not know about Ancient Near Eastern ANE covenants nor do they understand that the covenants God has made with mankind are based in form on ANE covenants and their governing principles In fact the Old and New Covenants are ANE covenants Scholars and theologians know that the greater understanding we have of the historical and cultural roots of Christianity we can come to a more accurate interpretation of the New Testament Scriptures This is particularly true since Biblical archaeology has unearthed information regarding ANE covenants which the Fathers of the Reformation did not have access to when formulating their doctrinal beliefs and creeds Because the New Testament is an ANE covenant the governing principles of ANE covenants affects how we must interpret the Scriptures emanating from that covenant The information brought forth in this volume demands dissemination throughout the grassroots levels of the Church and Christian academia

A Pentecostal Hermeneutic for the Twenty First Century Kenneth Archer,2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture

ARMAGEDDON: An Eschatological Response To Bart Ehrman Craig Lantz, ThD, PhD,2025-08-16 This book is entitled ARMAGEDDON is a theological and critical response to none other than Dr Bart Ehrman Professor Ehrman questions whether or not the Jesus as presented in the book of Revelation is the same Jesus that is presented in the Gospel accounts He concludes that these are two separate versions of Jesus Therefore the book of Revelation does not represent the Jesus of the Gospels The God of Revelation is a mean wrathful vindictive and blood thirsty God This Jesus in Revelation is not at all merciful forgiving and peaceful There are serious claims and this book is a response to these pejorative claims In this book the author will explain that Jesus is not just a one dimensional being The author will explain the fullness of what Jesus spoke of in the Gospels that will acquit Him of these pejorative charges This book will defend the

integrity and character of the Lord Jesus Christ and present the full picture of His nature and character The prophetic passages and parables that Jesus spoke of will find their ultimate fulfillment in the book of Revelation Rather than seeing the book of Revelation as a book that should not have been included in the New Testament the author argues that Revelation is the final capstone and fulfillment of everything Jesus said about Hell and fire in the Final Judgment The righteous have nothing to fear The wealth of the wicked in the Babylon of Revelation is stored up for the righteous Our God will be vindicated and acquitted of these criminal charges that indict His character of love mercy and forgiveness Professor Ehrman an adversary of the truth will be knocked off his ivory tower and proven wrong about his claims and conclusions about Jesus

The Dance Between God and Humanity Bruce K. Waltke, 2013-09-05 The Dance between God and Humanity brings together thirty one articles written by Bruce Waltke reformed evangelical professor of Old Testament and Hebrew on fascinating topics in biblical theology including Studying the Psalms devotionally The text and canon of the Old Testament Preaching Proverbs Biblical authority Doing theology for the people of God Evangelical spirituality Old Testament texts about human reproduction Reflections on retirement The role of women in the Bible And much more **Culture and Biblical Hermeneutics** William J. Larkin, 2003-08-05 No issue now occupies contemporary evangelicals more than the role of culture in biblical interpretation In Culture and Biblical Hermeneutics the author not only analyzes the current debate but also makes a significant contribution to it This volume grapples with what the author calls the challenge that historical and cultural relativism poses to the hermeneutical process when applied to the authoritative Scripture He accomplishes his goal admirably by exploring both the origin and the current state of biblical hermeneutics and by developing a biblical theology of hermeneutics and culture
