Hymns Of Saint Ephrem The Syrian Fairacres Publication:

Hymns of Saint Ephrem the Syrian Mary Hansbury, 2018-08-19 Fairacres Publications 149 St Ephrem the Syrian 306 376 a visionary poet and spiritual teacher of the early Christian centuries is known chiefly as the author of numerous hymns These examples of his Table Blessings recalling the events of salvation history combine lyrical delight in the good and beautiful things of creation with an outpouring of praise and thanksgiving to their Creator **Poet of the Word:**

Re-reading Scripture with Ephraem the Syrian Aelred Partridge, 2020-11-01 Fairacres Publications 187 Early Christians read the Bible somewhat differently from their modern counterparts For example St Ephraem s layered approach to interpreting Sacred Scripture especially the Old Testament led him to delve below the literal words of the texts to uncover the rich vein of symbolic allusions that lay within them Woven together they formed a tapestry of spiritual wisdom Ephraem transformed this tapestry into vibrant poetry in hymns homilies and biblical commentaries that gesture towards the unfathomable mystery of God revealed in Christ This brief essay examines the principles that guided Ephraem s manner of biblical interpretation his hermeneutics and reveals why he is a Poet of the Word **Shem`on the Graceful** Mary Hansbury, 2020-01-01 Fairacres Publications 184 The late seventh century in the Syrian Church saw the flourishing of several noted monastic writers amongst them Shem on a monk of an abbey in south west Iran Few of his writings remain but this homily has been preserved as a model of instruction on the solitary life Preached at the consecration of the cell of a monk embarking on the hermit life it clearly states the disciplines required to live this form of asceticism as well as the difficulties and dangers that will be encountered Through this life of stillness hesychia the whole person lives centred on life in the resurrected Christ and in the continuing work of the Holy Spirit in the Church and in the world *Eastern Orthodox Christianity and Animal Suffering* Christine Nellist, 2018-10-25 This book is the first academic work in Eastern Orthodox theological literature on the subject of animal suffering and human soteriology It represents a natural progression of the contemporary Eastern Orthodox academic debate on the environment and will be of interest not only to academic scholars in theology religion philosophy and ethics but also to the wider Christian and secular communities Using Biblical and Patristic teachings together with new social science research and contemporary science it presents arguments that animal suffering is against God s Will and that the abuse or misuse of animals or indifference to animal suffering will result in negative consequences for human salvation The book posits a revisionist interpretation of the Noahic narrative when addressing the challenging question of why God allows the dispensation of animals as food and offers compelling arguments on why the contemporary animal food production industries and animal testing model should be rejected **Beyond the Edge** Andrew Mayes, 2013-11-21 Jesus calls his disciples to follow him but where does he lead us Responding to Jesus summons we find ourselves leaving familiar certainties and securities behind as we step out boldly in faith Old boundaries dissolve as we are led into liminal spaces exhilarating situations new places of discovery and radical spiritual growth In such experiences Christ

reveals himself to us anew The place of risk is the threshold of the divine Beyond the Edge is for people who wish to go deeply into the spiritual life for spiritual directors and for those who walk with others on their prayer journey It can be used individually or in groups *Climate Crisis and Creation Care* Christine Nellist,2021-09-28 This volume considers the interconnectedness of all creatures in relation to our planetary boundaries Through our constant consumption of resources we have had a distinctly negative impact on the world around us affecting everything from the weather food availability sea levels and the social fabric of our society This book explores how we arrived at such an unstable world and offers ecological theological and economically sustainable solutions to a global crisis **The Study of Spirituality** Cheslyn Jones,Geoffrey Wainwright,Edward Yarnold,1986-12-11 Written by contributors representing the Anglican Roman Catholic Free Church and Orthodox traditions this collection examines the nature and form of individual Christian devotion throughout the centuries

Religious Transhumanism and Its Critics Arvin M. Gouw,Brian Patrick Green,Ted Peters,2022-03-10 Why do representatives of different religious traditions find the transhumanist vision of the future not only theologically compatible but even inspiring Transhumanism is a global movement seeking radical human enhancement The trans in transhumanism marks the transition from the present stage in human evolution into the future namely post human existence Containing chapters written by adherents to a variety of religious traditions Religious Transhumanism and Its Critics provides first hand testimony to the value of the transhumanist vision perceived by the religious mind In addition the contributors critique both secular and religious transhumanism in light of realistic science and commitment to social justice **Ethics in Contexts** James W. Thompson,Richard A. Wright,2019-05-31 The essays in this volume are an expression of appreciation of Wendell Lee Willis who recently retired after a distinguished career as a classroom teacher colleague and scholar Current and former colleagues have written to advance Wendell s research interests in the various contexts of early Christianity particularly in the apostle Paul New Testament ethics and ecclesiology Essays include discussions of issues related to Paul s correspondence with the church in Corinth and the depiction of Paul in Acts Jesus s parables meals and the religious and socio political world in which Christianity arose *Ephrem the Syrian* Saint Ephraem (Syrus),1989 In this volume is a translation of a collection of hymns of Christ composed by Ephrem the Syrian c 306 373 the most famous and prolific of the Fathers of the Syriac speaking Church
