Lassassinat De Dollfuss:

Becoming Foucault Michael C. Behrent, 2023-12-04 Though Michel Foucault is one of the most important thinkers of the twentieth century little is known about his early life Even Foucault s biographers have neglected this period preferring instead to start the story when the future philosopher arrives in Paris Becoming Foucault is a historical reconstruction of the world in which Foucault grew up the small city of Poitiers France from the 1920s until the end of the Second World War Beyond exploring previously unexamined aspects of Foucault s childhood including his wartime ordeals it proposes an original interpretation of Foucault s oeuvre Michael Behrent argues that Foucault in addition to being a theorist of power knowledge and selfhood was also a philosopher of experience He was a thinker intent on making sense of the events that he lived through Behrent identifies four specific experiences in Foucault s childhood that exercised a decisive influence on him and that in various ways he later made the subject of his philosophy his family s deep connections to the medical profession his upbringing in a bourgeois household the German Occupation during World War II and his Catholic education Behrent not only reconstructs the specific nature of these experiences but also shows how reference to them surfaces in Foucault s later work In this way the book both sheds light on a formative period in the philosopher s life and offers a unique interpretation of key aspects of his thought , Russian Émigrés in the Intellectual and Literary Life of Interwar France Leonid Livak, 2010-07-01 In a pioneering exploration of the intellectual and literary exchange between Russian migr s and French intelligentsia in the 1920s and 1930s Leonid Livak provides an impressively comprehensive bibliographic overview of a veritable who s who of Russian intellectuals and literati listing all the material published by Russian migr s or on topics pertaining to them during the period under study Focusing attention on a largely ignored chapter of European cultural history this volume challenges historical assumptions by demonstrating processes of cultural cross fertilization and illuminates the precedents Russians set for political exiles in the twentieth century A remarkable achievement in scholarship Russian migr s in the Intellectual and Literary Life of Inter War France is a valuable resource for admirers and researchers of French and Russian culture and European intellectual history *The Nineteenth Century and After*, 1912 **The Nineteenth Century**, 1912 *L' Autriche de 1918 à 1938 : de la Révolution à l'annexion* Félix Kreissler, 1969 L image de l Autriche n est pas fix e dans l opinion internationale notamment fran aise L poque qui va de 1918 1938 est insuffisamment connue d o la n cessit ressentie par l auteur de pr senter une analyse de l histoire de la premi re r publique autrichienne qui tient compte de tous les facteurs subjectifs et objectifs en jeu Il s agissait de d terminer les responsabilit s agissantes et de montrer que le sort de l Autriche n tait pas l expression d un destin inexorable mais bien le r sultat de diff rents choix successifs faits par les hommes les dirigeants de l poque Ainsi la rupture de la coalition des sociaux d mocrates et des chr tiens sociaux entra na un durcissement des fronts politiques qui mena finalement la guerre civile de f vrier 1934 et l viction du r gime parlementaire L tat autoritaire de Dollfuss et de Schuschnigg priv de l appui populaire ne trouva pas la force pour r
