Visioning New and Minority Religions Eugene Gallagher, 2016-11-25 Rather than being ephemeral fads new religious movements NRMs have always been and will always be with us So will their study Offering an assessment of the state of the field of the study of NRMs *Visioning New and Minority Religions* begins by considering the analytical tools for the study of new or minority religions drawing on the perspectives of diverse academic disciplines The second part focuses on individual groups in a variety of geographical settings Chapters in this section review the histories of particular groups in order to extrapolate future developments They cover new religions that have persisted well past the first generation such as the Church of Jesus Christ of Latter day Saints and the Christian Scientists and groups with comparatively shorter histories such as various forms of contemporary Paganism Soka Gakkai and the Diamond Way Buddhist group This volume will be of interest to scholars from across religious studies and sociology as well as members of new and minority religious groups and those in cult watching groups

Moral Visions Courtney S. Campbell, Kelly Sorensen, 2025-09-09 Though used by millions as a guide for how to live one s life the Book of Mormon s links with contemporary ethics remain largely unexamined Courtney S Campbell and Kelly Sorensen edit essays that spotlight and encourage further thought on these connections Contributors in the first section discuss foundational issues such as the Book of Mormon s moral psychology its minimalist and covenantal moralities the nature of the good and how the good is known the question of whether value depends on a certain kind of future the Book of Mormon s

strategy for moral persuasion and God's participation in human choices In the second section the essayists turn to everyday ethical questions concerning resistance to forced cultural assimilation clothing and dress authority and memory The final chapter further explores practical moral visions A rich and thought provoking analysis Moral Visions examines the Book of Mormon through a variety of methods while aiming to deepen understanding of both the text's messages and its potential place in future discussions of ethics Contributors Daniel Becerra Courtney S Campbell Ryan Davis Michael D K Ing Ariel Bybee Laughton Kimberly Matheson Rachel Esplin Odell Kelly Sorensen Joseph M Spencer **Tiny You** Jennifer L. Holland,2020 Caroline Bancroft History Prize 2021 Denver Public Library Armitage Jameson Prize 2021 Coalition of Western Women's History David J Weber Prize 2021 Western History Association W Turrentine Jackson Prize 2021 Western History Association Tiny You tells the story of one of the most successful political movements of the twentieth century the grassroots campaign against legalized abortion While Americans have rapidly changed their minds about sex education pornography arts funding gay teachers and ultimately gay marriage opposition to legalized abortion has only grown As other socially conservative movements have lost young activists the pro life movement has successfully recruited more young people to its cause Jennifer L Holland explores why abortion dominates conservative politics like no other cultural issue Looking at anti abortion movements in four western states since the 1960s turning to the fetal pins passed around church services the graphic images exchanged between friends and the fetus dolls given to children in school she argues that activists made fetal life feel personal to many Americans Pro life activists persuaded people to see themselves in the pins images and dolls they held in their hands and made the fight against abortion the primary bread and butter issue for social conservatives Holland ultimately demonstrates that the success of the pro life movement lies in the borrowed logic and emotional power of leftist activism *The Wide Divide* D. Gonzales,2018-01-09 Most people are not aware of the wide divide that exists between Mormonism and Christianity Members of the LDS Church are taught not to question the teachings of the church despite the leaders being instructed to manipulate the facts and hide the truth whenever it is deemed useful to do so The Wide Divide is a comprehensive and chronological study of Mormonism rendered in a holistic rather than a topical approach It covers the panorama of early Mormon history with a comprehensive analysis of its doctrine The major premise of the book is Are Mormons Christian If you are a Mormon it is very critical that you answer this question correctly before you meet Jesus in eternity Please do so *The Palgrave Handbook of Global Mormonism* R. Gordon Shepherd,A. Gary Shepherd,Ryan T. Cragun,2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it

mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin America while sustaining increasing growth in parts of Asia and Africa

Women in New Religions Laura Vance,2015-03-13 An in depth history of selected New Religions that highlights the roles of women in their founding and continual practice *Women in New Religions* offers an engaging look at women s evolving place in the birth and development of new religious movements It focuses on four disparate new religions Mormonism Seventh day Adventism The Family International and Wicca to illuminate their implications for gender socialization religious leadership and participation sexuality and family ideals Religious worldviews and gender roles interact with one another in complicated ways This is especially true within new religions which frequently set roles for women in ways that help the movements to define their boundaries in relation to the wider society As new religious movements emerge they often position themselves in opposition to dominant society and concomitantly assert alternative roles for women But these religions are not monolithic rather than defining gender in rigid and repressive terms new religions sometimes offer possibilities to women that are not otherwise available Vance traces expectations for women as the religions emerge and transformation of possibilities and responsibilities for women as they mature Weaving theory with examination of each movement s origins history and beliefs and practices this text contextualizes and situates ideals for women in new religions The book offers an accessible analysis of the complex factors that influence gender ideology and its evolution in new religious movements including the movements origins charismatic leadership and routinization theology and doctrine and socio historical contexts It shows how religions shape definitions of women s place in a way that is informed by response to social context group boundaries and identity

Lds Stake Conference Broadcast 2014 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lds Stake Conference Broadcast 2014 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lds Stake Conference Broadcast 2014 has opened up a world of possibilities. Downloading Lds Stake Conference Broadcast 2014 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lds Stake Conference Broadcast 2014 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lds Stake Conference Broadcast 2014. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lds Stake Conference Broadcast 2014. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lds Stake Conference Broadcast 2014, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lds Stake Conference Broadcast 2014 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the

most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
