Get This Book. As a senior law teacher and member of two state bars, Prof. Childress still needed to pass the Louisiana Notary Exam to practice as one. It's a challenging exam for everyone yet he found in the Study Guide lots of trees but little forest and even less real guidance. Determined that current test takers can do better with more real help, he wrote this book and geared the page numbers including an index, cross-references, lists, and illustrated explanation of successions, community property, and authentic acts to the latest edition of the state's official text: Fundamentals of Louisiana Notarial Law and Practice.
