

A man and a woman are shown from the chest up, embracing each other. The man is on the left, wearing a purple t-shirt, and the woman is on the right, wearing a white t-shirt. They are both smiling and looking towards the camera. The background is a blurred outdoor setting with green foliage. The text is overlaid on the left side of the image.

My love, you have the most infectious smile that lights up my world like a thousand twinkling stars. Your playful jokes and silly antics bring out my inner child and remind me to never take life too seriously. Thank you for always keeping the laughter alive in our relationship.

actually coming from the Universe and represent the connection between us and Divinity The muse is not the Divinity but maybe being in such a story we understand how we can connect to the Infinite But can we the ordinary people learn to connect to then Universe just as a monk does it without any love story Can we find this power in ourselves to find that greatness without the help of a loved muse What is her sense Is she the one that reveals the beauty and the huge powers locked in our spirits Can the secret of greatness comes just by having a love story or we should start studying how a monk is using his powers to understand the laws of the Universe just by connecting to himself and then to the Infinite A muse looks like a non sense illusion But all great people used the trick to connect to the Universe this way Maybe the need of a muse is just a preliminary stage before you understand that in fact everything is in yourself The muse is only the one that is whispering you the great secret about yourself that you are an amazing human being and that you can be whoever you dream to be The muse is indeed an illusion a beautiful one but one day you will just understand that everything you need is already in yourself The real non sense that you should analyze and focus a lot on it is why we don t believe in ourselves and why we need this adorable person to whisper beautiful words to us when we can think as a monk Just think about it **Res**
