

LIFE SKILLS CHAPTER 2 RESOURCE

SUMMARY

Life skills encompass a variety of skills any person needs to remain organized, happy, relatively unstressed, and able to help others at their job. Having good life skills allows a cosmetologist to succeed in school, land and maintain a job in cosmetology, and progress in a satisfying career. Life skills encompass people skills, personal management (organizational) skills, goal setting, self-actualization, and self-esteem. When you master life skills you will be able to achieve any goal you set for yourself, even when faced with difficult circumstances!

COMMENTARY

This chapter may sound "fluffy" content-wise so it's good to get the general concepts and the "buzzwords" (i.e., keywords) that Milady presents. However, these concepts will truly help you become a successful professional cosmetologist, so there's good reason the book takes time to lay out this chapter. The exercises I've created for this chapter are a great visual representation and good practice of the kinds of life skills the book aims to teach. With review of these exercises and knowledge of the "buzzwords" you should be well-prepared for this chapter's test. Aim to spend 3 hours of pure focus on this chapter to get the "buzzwords" down.
