**Young Lady Albert Is Courting Disaster: Volume 5** Saki, 2024-03-20 There is but one burning question on everyone's minds: Who will be House Albert's successor? A buzz ripples through high society as onlookers wager which of the equally worthy Albert twins will be the heir to the nation's most powerful noble family. But Mary's brothers have a knack for being just as eccentric as she is. Instead of vying for the successor's seat, the twins busy themselves with fawning over Mary, bullying Adi, and being reined in by Adi's older brother Roberto. With the gleeful Lang and gloomy Lucian so disinterested in the family legacy, the spotlight begins shifting to none other than Mary herself. However, Mary's facing problems of her own. A certain rumor about Alicia is spreading among noble circles, and her daily visits to Albert Manor suddenly cease. Have her humble origins once again cast a shadow over her? And can Mary find a way to help her friend while wrapped up in House Albert's succession dilemma?

*Before the Storm* Fredericka Martin, 2019-02-18 An account of the struggles and oppression of the Pribilof Aleuts of Alaska, written by a woman who became their passionate advocate. From June of 1941 through the following summer, Fredericka Martin lived with her husband, Dr. Samuel Berenberg, on remote St. Paul Island in Alaska. During that time, Martin delved into the complex history of the Unangan people, and *Before the Storm* draws from her personal accounts of that year and her research to present a fascinating portrait of a time and a people facing radical change. A government-ordered evacuation of all Aleuts from the island in the face of World War II, which Martin recounts in her journal, proved but the first step in a long struggle by native peoples to gain independence, and as editor Raymond L. Hudson explains, Martin came to play a significant role in the effort. Particularly because so few books about the Pribilofs have focused on the people of the islands, *Before the Storm* offers an especially welcome perspective to our understanding of the unusual history of the Aleuts there.
