Emma Mr Knightley And Chilislaw Dogs:

Emma, Mr. Knightley and Chili-Slaw Dogs Mary Jane Hathaway,2014-01-14 From the bestselling author of Pride Prejudice and Cheese Grits comes a new and comical contemporary take on the perennial Jane Austen classic Emma Caroline Ashley is a journalist on the rise at The Washington Post until the sudden death of her father brings her back to Thorny Hollow to care for her mentally fragile mother and their aging antebellum home The only respite from the eternal rotation of bridge club meetings and garden parties is her longtime friend Brooks Elliott A professor of journalism Brooks is the voice of sanity and reason in the land of pink lemonade and triple layer coconut cakes But when she meets a fascinating charismatic young man on the cusp of a brand new industry she ignores Brooks s misgivings and throws herself into the project Brooks struggles to reconcile his parents very bitter marriage with his father s devastating grief at the recent loss of his wife Caroline is the only bright spot in the emotional wreckage of his family life She s a friend and he s perfectly happy to keep her safely in that category Marriage isn t for men like Brooks and they both know it until a handsome newcomer wins her heart Brooks discovers Caroline is much more than a friend and always has been but is it too late to win her back Featuring a colorful cast of southern belles Civil War re enactors and good Christian women with spunk to spare Emma Mr Knightley and Chili Slaw Dogs brings the modern American South to light in a way only a contemporary Jane Austen could have imagined

Pride, Prejudice and Cheese Grits Mary Jane Hathaway, 2014-06-10 This hilarious Southern retelling of Jane Austen's Pride and Prejudice tells the story of two hard headed Civil war historians who find that first impressions can be deceiving Shelby Roswell a Civil War historian and professor is on the fast track to tenure that is until her new book is roasted by the famous historian Ransom Fielding in a national review With her career stalled by a man she's never met Shelby struggles to maintain her composure when she discovers that Fielding has taken a visiting professorship at her small Southern college Ransom Fielding is still struggling with his role in his wife's accidental death six years ago and is hoping that a year at Shelby's small college near his hometown of Oxford Mississippi will be a respite from the pressures of Ivy League academia. He never bargained for falling in love with the one woman whose career and pride he injured and who would do anything to make him leave When these two hot headed southerners find themselves fighting over the centuries old history of local battles and antebellum mansions their small college is about to become a battlefield of Civil War proportions With familiar and relatable characters and wit to spare Pride Prejudice and Cheese Grits shows you that love can conquer all especially when pride prejudice love and cheese grits are involved
