***A Fortunate Life*** Paddy Ashdown, 2010-09-25 Paddy Ashdown's autobiography was hailed as one of the most readable and exciting political life stories ever written, of all precisely because it was so very much more. This is the autobiography of an old-fashioned Man of Action, an adventurer to be compared more readily to Fitzroy Maclean than David Steel. Ashdown's years as MP for Yeovil and leader of the Liberal Democrats pale alongside his time as a Royal Marine Commando in the Special Boat Squadron, as a spy on military service in Northern Ireland and Indonesia, and then subsequently perhaps his finest and most heroic role as the UN's High Representative in war-torn Bosnia. As one reviewer remarked, 'This must be the first political memoir to offer advice on the best way to execute a jungle ambush and on how to treat an open wound using red ants.' Ashdown's appeal, which explains this book's hardback bestseller status, is that he transcends party political allegiances and is seen as a genuinely honest and decent man, unafraid to take on the hardest challenges.

**The Devil's Feather** Arman Ratip, 2023-09-15 The story in Ratip's debut novel revolves around the struggle of Turan Akova, who is a world-renowned pianist/composer, to prevent and eventually eliminate the extraterrestrial devil's plans to dominate the world in a shocking and most audacious way. This is a heart-pounding suspense thriller with gruelling intensity. A monumentally scary and chillingly tense story. Italian poet Tasso's words best describe Turan Akova, the hero of this novel: 'Is it possible to transform a raging, devastating, destroying hurricane into a morning breeze, a mad sea into a charming lake, and lightning into a rose? I am speaking of the Turk, the Turk who is like a ruthless hurricane, a terrific sea, and a merciless lightning when attacking his enemy; is a morning breeze and a clear lake with his friends, or when facing a disarmed enemy, to change this charming breeze into a hurricane, this resplendent blue lake into a horrid sea, this rose with its fragrance of nobility to lightning would be indeed a blunder that would offend Nature itself.'
