DAY  
1

Tell students that this week they will practice finding the main character in stories and paying attention to what the character does. Say: The main character is the person or thing the story is mostly about. Direct students' attention to the illustration. Say: This picture gives clues about the main character. What do you think the main character is? (cat) Let's read the story to find out the cat's name and what the cat does. Read the last sentence at the top of the page aloud. Then read the story as students follow along. Guide students to complete the first activity. With each item, help students locate the answer in the story and read those sentences. Have students do the right words with a partner. They should read all the words out loud before deciding on their answers.
