

Introduction to Main Applications

Facets is an integrated program built on a modular system of like applications. Each application comprises several sections and subsections. Once you understand this process, navigating Facets becomes much easier.

© 2004 Blackwell Publishing Ltd, *Journal of Internal Medicine* 255: 103–110

The following are Facets application groups and related applications:

Accounting Applications Group

The Accounting group of applications forms the foundation for claims and capitation check processing. These applications allow you to establish separate lines of business to associate with specific plans and claims or capitation payors. You may also maintain information about the corporate bank accounts from which claims or capitation payments are drawn.

¹ Based on your security profile, not all of the applications groups may be available to you.

Understanding Animal Abuse and How to Intervene with Children and Young People Gilly Ferreira, Joanne Williams, 2023-03-31 *Understanding Animal Abuse and How to Intervene with Children and Young People* offers a positive compassion based and trauma informed approach to understanding and intervening in animal abuse. It provides an accessible cross disciplinary synthesis of current international evidence on animal abuse and a toolkit for professionals working with people and or animals to help them understand prevent and intervene in cases of animal abuse. With contributions from experts in the field this essential text offers ten user friendly chapters with questions for reflection and key summary points. It offers a definition of animal abuse synthesises the latest research on children young people and animal abuse explores the link between animal abuse and other forms of abuse and outlines legal perspectives on animal abuse. The second half of the book presents a practical toolkit for professionals offering guidance and strategies for the prevention of and intervention in cases of animal abuse. It provides multidisciplinary perspectives on interventions from teachers and social workers roles in detection and intervention of childhood animal abuse to the roles of enforcement agencies and veterinarians in legal cases of adult animal abuse. Together with a final chapter proposing new directions for research policy and practice this guide is for all who work with children young people and or animals including psychologists social workers veterinarians education professionals and animal welfare educators. It is also a key reading for those involved in legal and policy issues relating to animal welfare.

Cisco Security Professional's Guide to Secure Intrusion Detection Systems Syngress, 2003-10-29 Cisco Systems Inc is the worldwide leader in networking for the Internet and its Intrusion Detection Systems line of products is making inroads in the IDS market segment with major upgrades having happened in February of 2003. *Cisco Security Professional's Guide to Secure Intrusion Detection Systems* is a comprehensive up to date guide to the hardware and software that comprise the Cisco IDS. *Cisco Security Professional's Guide to Secure Intrusion Detection Systems* does more than show network engineers how to set up and manage this line of best selling products it walks them step by step through all the objectives of the Cisco Secure Intrusion Detection System course and corresponding exam that network engineers must pass on their way to achieving sought after CCSP certification. Offers complete coverage of the Cisco Secure Intrusion Detection Systems Exam CSIDS 9E0 100 for CCSPs.
