**Week 1: Guided Practice**—Students will work with teacher step-by-step with the guidelines for the proportions of the face. They will begin to see how the eyes will be placed on the face using the guidelines. **Guided Practice**—Students will practice drawing the guidelines and the face. Students will add value shading to the eyes. Teacher will check that the facial proportion guidelines are correct.

**Week 2: Repeat guided and independent practice procedures as week 1, but for the nose.** **Week 3: Repeat for the mouth.** **Week 4: Review all parts of the face.**

## Notes on Proportions of the Face
