Faith English Edition:

The Nullity of the Romish Faith ... The Fourth Edition Matthew Poole, 1671 The Book of Faith Reginald Pecock, 2020-11-20 Reginald Pecock ca 1390 1459 was the cause of a great scandal for the late medieval Church In the autumn of 1457 the bishop of Chichester confessed among other things that the Church itself could err in matters of faith On the eve of the Protestant Reformation however a high ranking cleric making such a claim was both embarrassing and a big liability The Book of Faith finished just months before Pecock s disgrace is the only record of this claim Whether Pecock wrote portions of the treatise in anticipation of an assault that he already saw being set in motion against him or whether it unintentionally foreshadowed what the highest levels of clerical dissent could look like this book nonetheless represents a unique attempt to reconcile a critical laity with a conservative Church In the only modern English translation of Pecock s work the impassioned earnest and often exasperated bishop comes to life and along with him the drama of religious dissent in the pre Reformation English Church **Earth-honoring Faith** Larry L. Rasmussen, 2015-04-01 Larry L Rasmussen offers a dramatic new way of thinking about human society ethics and the health of our planet Rejecting the modern ethical assumption that morality applies to human society alone Earth honoring Faith argues that we must derive a system of ethics and morality that accounts for the wellbeing of all creation on Earth Deeper Christian Faith, Revised Edition Ted A. Campbell, 2019-09-17 The purpose of Deeper Christian Faith is to form Christians in such a depth of Christian faith grounded in biblical historical and ecumenical insights that they can state with confidence what they believe and practice in common with other Christians and grow in the self giving love at the heart of the Christian faith The book is a re sounding a re catechism for Christians who seek deeper formation in beliefs and practices widely received in Christian communities Anchored by focus texts that allow readers to meditate on biblical and historic texts in ancient formats as well as contemporary translations this intensive program of study allows contemporary Christians to experience the rich alien and mysterious worlds of historic Christian teachings and practices The book follows the central theme of the self giving love of God revealed in Jesus Christ and then formed in the life of a believer **Faith and Reason** Carmel Paul Attard, 2020-12-28 As a Christian you might have asked yourself questions like How could a benevolent God our Father punish anyone in fire eternally How could billions of non members of my church all be going to hell How can there be three Gods in one God How can Jesus be both human and divine Why is the kingdom of God in heaven but we pray for it to come on earth Why is the Bible infallible when it s littered with textual contradictions The talking serpent clearly relegates Adam and Eve s story to the realm of tales Since they never existed how could they have committed original sin So how could we inherit it And what did Jesus need to redeem us from It s been almost two thousand years will Jesus ever come back to earth How can Jesus be inside the Eucharist Faith and Reason shows why and how we ve come to believe such oddities The truth will set you free John 8 32 NIV Christian Faith (Two-Volume Set) Friedrich Schleiermacher, 2016-09-01 Christian Faith is one of the most

important works of Christian theology ever written The author known as the father of theological liberalism correlates the entirety of Christian doctrine to the human experience of and consciousness of God A work of exhaustive scholarship written in deep sympathy with the ministry of congregations and church bodies Christian Faith has inspired admiration and debate from all quarters of the Christian family since its first publication in 1821 This is the first full translation of Schleiermacher's Christian Faith since 1928 and the first English language critical edition ever Edited by top Schleiermacher scholars this edition includes extensive notes that detail changes Schleiermacher made to the text and explain references that may be unfamiliar to contemporary readers Employing shorter sentences and more careful tracking of vocabulary the editors have crafted a translation that is significantly easier to read and follow Anyone who wishes to understand theology in the modern period will find this an indispensable resource

The "Sense of the Faith" in History John J. Burkhard, OFM Conv.,2022-01-15 While taught by Vatican II the sense of the faith *sensus fidei* has had little official impact in the Catholic Church What would the church look like if it took this conciliar teaching to heart To address this neglect John Burkhard locates the historical roots of the teaching and its emergence at Vatican II It attempts to better understand the sense of the faith in the light of other fundamental teachings of the council and challenges the hierarchical church to invite all the faithful to rightfully participate in the prophetic ministry of the whole

Paul and the Philosophers' Faith Suzan Sierksma-Agteres, 2024-07-22 The notion of faith experienced a remarkable surge in popularity among early Christians with Paul as its pioneer Yet what was the wider cultural significance of the pistis word group This comprehensive work contextualizes Paul's faith language within Graeco Roman cultural discourses highlighting its semantic multifariousness and philosophical potential Based on an innovative combination of cognitive linguistics and discourse analysis it explores faith within social political religious ethical and cognitive contexts While challenging modern individualist and irrational conceptualizations this book shows how Paul uses pistis to creatively configure philosophical narratives of his age and propose Christ as its ultimate embodiment *Agreement of science and faith upon the sacred heart of Jesus, tr. by E. Raymond-Barker* Auguste Riche, 1883 **Christian Faith** Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality **Faith in the Son of God (Foreword by Robert W. Yarbrough)** Kevin McFadden, 2021-05-05 A Study of Faith in Christ in Pauline Theology Over the last fifty years the apostle Paul's theology has come under immense critical examination One important issue prompted by recent scholarship is the correct translation of the Greek phrase pistis Christou as faith in Jesus Christ Galatians 2:16 Many English speaking scholars now interpret this Greek phrase as the faithfulness of Jesus Christ This new translation is bound up with the theological argument that we are not justified by our own faith but by the faithfulness of Christ Kevin McFadden argues that faith in Christ is a proximate cause of salvation that accords with grace Not only is this treatment a helpful introduction to the pistis Christou debate but it also demonstrates the central role of faith in salvation as the church brings the gospel to the world
