Sex, Drugs & Jesus De'Vannon Hubert,2022-03-28 Transparency is one of the most effective tools we have that can help us heal It can also help us understand ourselves better as well as other people What would you do if you believed you only had months to live How would you feel if your community was stolen from you Could you survive living on the streets for any

length of time Can you imagine what it s like to try to find a job when you have felonies on your record Are there any words to describe the heart of a mother as she watches her youngest child die It s taken my whole life to realize that the main person I ve been battling against has been me As such my memoir delves into raw detail about my war with my myself I open up about my crystal meth addiction and how I became a drug dealer in Houston Tx The pain of growing up in poverty under the hand of an abusive dad is put on display as well The time I spent serving in the Air Force during Don t Ask Don t Tell and the promiscuity that went along with it is also divulged I talk about how I received my HIV diagnosis on a voicemail and my Hep B diagnosis in the postal mail My story gets more intense as I share about how I got 3 felonies the time I spent in jail and how I ended up homeless after S W A T kicked my door in I talk about the biggest heartbreak in my life which happened when I was kicked out of a megachurch that I had served with my whole soul for years just because I am a member of the 2SLGBTQIA community and refused to accept the conversion therapy package they offered So often people judge those who have been in similar situations My hope is that my honesty can offer a glimpse into these issues from the inside rather than from the outside looking in I struggled with dividing my memoir into two separate books but I felt it would be more impactful to tell everything all at once My memoir is my testament and it s the greatest form of outreach I have ever offered to the world I hope that I can earn your trust and attention with the words I have written within these pages

Why Do Drugs Cost So Much?

Joe,Ruth,2008-06 Caution Reading this book in it s entirety may cause the following side effects Surprise Anger Disbelief and even Amusement We begin by revealing the little known inside workings of the pharmaceutical industry based on the experiences of people who have worked there Why do you think it is that your drugs cost so much Is it because of all the high tech stuff that goes into making it Or is it something else that might shock or even anger you What goes on behind the scenes often has nothing whatsoever to do with science This leads to the second part which has to do with our health and the things you may not even realize are making us all sick This is not just another eat right and exercise book You will discover information you have never heard before There are even things that have been proven to harm you but have been covered up or ignored and even encouraged as long as there is money to be made Do you like investigative reporting Do you like history or science fiction Do you have a taste for the macabre Are you concerned about declining health care government and military cover ups or the high cost of medicine Written with some humor and at times a touch of sarcasm there is a little bit of something here for everyone You may or may not agree with some of the things in this book but once you start reading it your curiosity will make you want to pick it up again and again until you are finished
