Republican era to the collectors of plastic and cardboard in Beijing's neighborhoods today have been represented as undisciplined polluting and technologically primitive due to the municipal government's failure to control them. The result Joshua Goldstein argues is the repeatedly reinscribed exclusion of waste workers from formations of modern urban citizenship as well as the intrinsic liminality of recycling itself as an economic process. **Congressional Record**, *The Washington Post Index*, 1989 *People*, 2008 **Popular Science**, 2004-12.
