Friends And Lovers:

Foes, Friends, and Lovers Stephanie Laurens, 2022-03-17 1 New York Times bestselling author Stephanie Laurens returns with a tale of a gentleman seeking the road to fulfillment and a lady with a richly satisfying life but no certain future. A gentleman searching for a purpose in life sets out to claim his legacy only to discover that instead of the country residence he'd expected he's inherited an eccentric community whose enterprises are overseen by a decidedly determined young lady who is disinclined to hand over the reins. Gregory Cynster arrives at the property willed to him by his great aunt with the intention of converting Bellamy Hall into a quiet comfortable gentleman's country residence only to discover the Hall overrun by an eclectic collection of residents engaged in a host of business endeavors under the stewardship of a lady far too young to be managing such reins. With the other residents of the estate Caitlin Fergusson has been planning just how to deal with the new owner but coming face to face with Gregory Cynster throws her and everyone else off their stride. They'd anticipated a bored and disinterested gentleman who once they'd revealed the income generated by the Hall's community would be content to leave them undisturbed. Instead while Gregory appears the epitome of the London rake they'd expected him to be they quickly learn he's determined to embrace Bellamy Hall and all its works and claim ownership of the estate. While the other residents adjust their thinking the burden of dealing daily with Gregory falls primarily on Caitlin's slender shoulders yet as he doggedly carves out a place for himself Caitlin's position as chatelaine cum steward seems set to grow redundant. But Caitlin has her own reasons for clinging to the refuge her position at Bellamy Hall represents. What follows is a dance of revelations both of others and also of themselves for Gregory, Caitlin, and the residents of Bellamy Hall. Yet even as they work out what their collective future might hold a shadowy villain threatens to steal away everything they've created. A classic historical romance set in an artisanal community on a country estate. A Cynster Next Generation novel. A full length historical romance of 118 000 words. Praise for *Foes Friends and Lovers*. Fans of full bodied Regency romances with dynamic female leads will find much to enjoy in *Foes Friends and Lovers*. Virge B Proofreader Red Adept Editing. When Gregory Cynster inherits Bellamy Hall and arrives to inspect the enormous home he's surprised to find a woman Caitlin Fergusson serving as steward of the highly unconventional estate. Though Caitlin is secretive about her past Gregory quickly realizes he can't afford to lose her help and he bides his time in learning precisely what her past looks like and whether he can be a part of her future. Fans of Regency romance will relish this tale. Angela M Copy Editor Red Adept Editing. *Friends with Benefits* Liz Durano, 2018-12-14 Every guy knows the unspoken rule don't ever fall for your best friend's sister until she shows up at your company holiday party and the last thing you want to be is her brother's best friend. Caitlin I've known Campbell all my life. He's the boy next door and my brother's best friend the one man outside of family with whom I can completely be myself. But when I wake up in his bed the morning after his company holiday party there are two things I suddenly can't ignore. Campbell Murphy is all grown up in more ways than one and I no longer want to be just his best friend's sister. But even if we

re both on the same page is a fling worth sacrificing a lifetime of trust between families Or is it worth a shot at something that had always been there all along Each book in A Different Kind of Love series can be read on its own with NO cliffhanger and a guaranteed HEA Some are angsty and emotional while some are fun lighthearted and set during the holiday season like this one
