Language Power: Grades K-2 Level B Teacher's Guide Hayley Lehoski, 2012-09-30 *Creating Literacy Instruction for All Children* Thomas G. Gunning, 2000 *Creating Literacy Instruction for All Children* is a comprehensive practical text that provides its readers with step by step guidance for teaching all major aspects of reading and writing Gunning's text helps students discover approaches and techniques that fit teachers' personal styles and situations. It aims to present as fairly completely and clearly as possible the major methods and strategies shown to be successful in research and practice. The text features sample lessons for virtually every major literacy skill strategy and offers numerous reinforcement suggestions and generous listings of materials. With two updated chapters on word analysis skills strategies, the text continues to give teachers the information and techniques they need to implement a systematic and functional program of word analysis that is integrated with students' reading and writing.
