

The background of the cover is a dark, moody image of water. At the top, a crown floats on the surface, with water splashing around it. Below the crown, a dragon-like creature is visible, its head and front legs emerging from the water. The creature has a long, slender neck and a head with horns or ears. The water is dark blue and black, with white highlights from the splashing. The overall tone is mysterious and epic.

The descendants of the
