Muimba-Kankolongo,2015-03-06 Four years ago my health began deteriorating with a blood pressure reaching 200/250 I became anemic lost about 20/23 kilograms within a short period and developed severe abdominal pain followed by rectal bleeding I was told I had a large rectal tumor that needed to be urgently removed I was shocked and frightened I traveled to Canada for a second opinion After laboratory tests it was a stage 3/4 colorectal cancer nearly obstructing my large bowel I was subjected to an aggressive long cycle radiation and chemotherapy treatment followed by complex surgeries for years after which I was declared cancer free While in the hospital particularly following the nine hour surgery for tumor removal I could not regain rapidly my vital signs meaning I was dead in medical terms However by the Lords grace I opened my eyes

My spouse and I had several dreams pointing to a spirit of death rooming around me As the scripture in Job 33 1418 says For God does speak now one way now another in a dream in a vision of the night when deep sleep falls on men as they slumber in their beds He may speak in their ears and terrify them with warnings I surely knew that believing in the Lord Jesus Christ and having faith in the Heavenly Father will instantly turn my desperate situation into a joyful one I committed my time to reading regularly the Bible and my family relatives and friends all over the world prayed for my healing and recovery As written in Psalms 130 1 Out of the depths I cry to You O Lord Together we pleaded unto him and he lifted me from down the valleys to the tops of mountains Continual prayers acted as a strong medication to cure the illness      **God Is My Source** Gloria Copeland, George Pearson, 2016-05-01 Take the God Is My Source challenge Many people are faced with overwhelming financial challenges When they compare their paycheck to their needs they wonder How are we going to pay for this Where will the money come from What are we going to do When we look to the Word of God scripture after scripture proves that God is THE      **"We the Sheeple"** Ken Braun, 2011-06-22 The Federal government through criminal intent on behalf of the tyrannical owners of the Federal Reserve alongside faulty regulation contrived by Congressional greed and the endemic weakness of corruption caused the economic collapse of 2008 by creating conditions favorable to the rampant spending exorbitant debt greed and immoral monetary manipulation by those participatory in the global financial system The elite controlled media aided and abetted every step of the toxic downfall since 1976 when this grandiose plan began unfolding under the hapless Jimmy Carter Obama I The global takeover was planned about 100 years ago and it took two depressions and two world wars for the establishments plan to materialize In 2010 Chairman Comrade Obama and his arrogant Comrades referred to as our elected Congress are preparing to shove the banking cakes illegal frosting rudely down the already dry throats of the American people If the sheeple have any thought process remaining after the 100 year onslaught of American miss education they will choke and choke mightily on this poisonous frosting The vacuous though vociferous public thrashing by our cowardly Congress and the deceitful White House of the big international banks is nothing more than cheap seat entertainment for the uninformed American voter The practical purpose of financial reform under the guise of protecting the taxpayer is to transfer all banking risk to the fatuous taxpayer forever along with creating a governmental machine to be used for legally crushing unwanted competition for the international financial elite You might say without exaggeration that Obamas financial reform and other Marxist policies are the final nails in your American freedom coffin It is the end of the American Dream      **Let Me Encourage You** Shirley Simonton, 2011-11-21 Let me encourage You is written to do just that to encourage you when you are going through some trials Satan is real and he is attacking whoever because he knows his time on this earth is limited This book tells of a few ways that the devil tried to destroy me but as Bishop Paul S Morton say I m still standing The devil is still doing the very same thing he was doing way back in the Old Testament days He asked Eve did God really say that He s asking us the same question to try and make us doubt God      Ordinary People -
