From Blindness To Worship:

Overcoming Spiritual Blindness James P. Gills, 2012-06-28 All too often our modern society lacks both sight and insight resulting from a refusal to see the reality of creation Such lack of recognition and appreciation for the Creator is spiritual blindness Yet the fruits and evidence of His love and wisdom are clearly demonstrated everywhere we look Author Dr James Gills a world renowned ophthalmologist with a deep love of the Bible writes about spiritual blindness with stunning clarity and relevance This book illustrates a powerful biblical theme often repeated throughout the Scriptures the analogy between the physical and the spiritual realms regarding blindness and sight From Isaiah s vision of a day when God s Messiah would be a light for the Gentiles to open eyes that are blind to the fulfillment of the prophecy when Paul was sent to the Gentiles to open their eyes and turn them from darkness to light and from the power of Satan to God *Overcoming Spiritual Blindness* emphasizes the power and work of the Holy Spirit What the surgeon does for cataracts that hinder sight in the physical eye the Holy Spirit does for the cataracts of the heart *Overcoming Spiritual Blindness* exposes obstructions to spiritual sight that cloud the lens of the soul Such cataracts include pride misguided concepts of money preoccupation with work distorted views of sex and a critical spirit The description of the cataract of bitterness and an unforgiving spirit gives such powerful insight that the reader must gain a new perspective of total forgiveness The list of spiritual cataracts is vast and painfully relevant highlighting the need for spiritual surgery to those who do not realize they are blind **Diving into the Gospel of John**

Bruce R. Reichenbach, 2023-02-09 *Diving into the Gospel of John* displays the rich and diverse arguments John presents for his thesis that Jesus is the Messiah the Son of God and that through believing readers listeners will find eternal life John s arguments are developed in four parts The first two chapters develop the author s literary techniques that are often based on ambiguity and his key symbols and concepts the understanding of which are essential to fully appreciate the Gospel Chapters 3 through 6 progressively portray the author s evidence for his thesis in the form of signs testimony of those who encounter Jesus Jesus s self identification and Jesus s relationships to others Chapters 7 and 8 show how the author uses theatrically patterned dialogues and triadic discourses to convey Jesus s identity and mission Finally chapters 9 through 11 provide important hints that the author gives for his thesis Jesus s appeals to time the indirect use of seven as the number of completeness and invocation of parentage in pointing to salvation Through diving into the Gospel readers will discover the richness of John s argument the Jesus he portrays and the God Jesus reveals The book aims to stimulate commitment challenge mind and spirit and encourage further reflection and conversation **From Egypt to Canaan, sermons** Jonathan Bayley, 1867
