Gone Part One The Gone Series 1:

I Was Gone Long Before I Left Peter C. Wilcox, 2020-09-15 In St Teresa of Avila's classic spiritual book Interior Castle she describes a difficult period of time in her spiritual journey when she said When I think of myself I feel like a bird with a broken wing When I left the monastery thirty eight years ago this was exactly how I felt I Was Gone Long Before I Left is the story about my interior struggle to leave the monastery after living this lifestyle for over twenty five years It explores the reasons why I went to the monastery why I stayed why I eventually left and what I have learned Maybe more importantly it describes the many years of mental anguish confusion and depression that I went through to finally make this decision It has brought back many painful memories and experiences and called for an honesty and vulnerability that I found daunting For over thirty eight years I have been unable to write about my experience of life in the monastery because I felt ashamed For years I thought about leaving but couldn't make this decision because I felt paralyzed psychologically and emotionally Now after all these years I have found the courage to share my story
