Please note: This is a companion version, not the original book. Sample Book Insights 1. When you're single, you may try to downplay your sexuality because you don't want to get tempted, but once you're married, embrace it because it is awesome. God made sex to be so wonderful that for a few moments it's as if the only people who exist in the world are you and your husband. 2. Sex is much more than just a physical act. We often degrade it to be less than it was created to be if we only see it in the physical realm. 3. The bad girl message is that we need to take control of our own sexual satisfaction. We need to be in touch with our own bodies, have fun with ourselves, and know what we like before we can have any sort of sexual relationship. 4. Sex is not about the genitalia. It's about relationship. When we focus on the physical, we neglect the real power sex has to bond us together in multiple ways, not only physically but mentally, emotionally, and spiritually as well.
