[Summary of Sheila Wray Gregoire's The Good Girl's Guide to Great Sex](#) Everest Media, 2022-04-17T22:59:00Z Please note: This is a companion version, not the original book. Sample Book Insights: 1. When you're single, you may try to downplay your sexuality because you don't want to get tempted, but once you're married, embrace it because it is awesome. God made sex to be so wonderful that for a few moments it's as if the only people who exist in the world are you and your husband. 2. Sex is much more than just a physical act. We often degrade it to be less than it was created to be if we only see it in the physical realm. 3. The bad girl message is that we need to take control of our own sexual satisfaction. We need to be in touch with our own bodies, have fun with ourselves, and know what we like before we can have any sort of sexual relationship. 4. Sex is not about the genitalia. It's about relationship. When we focus on the physical, we neglect the real power. Sex has to bond us together in multiple ways, not only physically but mentally, emotionally, and spiritually as well.

The Good Girl Revolution Wendy Shalit, 2011-04-20 Across the country, there's a youth-led rebellion challenging the status quo. In Seattle and Pittsburgh, teenage girls protest against companies that sell sleazy clothing. Online, a nineteen-year-old describes her struggles with her mother, who she feels is pressuring her to lose her virginity. In a small town outside Philadelphia, an eleventh-grade girl, upset over a dirty book read aloud in English class, takes her case to the school board. These are not your mother's rebels. Drawing on numerous studies and interviews, the brilliant Wendy Shalit makes the case that today's virulent bad girl mindset truly oppresses young women. She reveals how the media, one's peers, and even parents can undermine girls' quests for their authentic selves and explains what it means to break from the herd mentality and choose integrity over popularity. Written with sincerity and upbeat humor, *The Good Girl Revolution* rescues the good girl from the realm of mythology and old manners guides to show that today's version is the real rebel. Society may perceive the good girl as mild, but Shalit demonstrates that she is, in fact, the opposite. The new female role models are not people-pleasing or repressed; they

are outspoken and reclaiming their individuality These empowering stories are sure to be an inspiration to teenagers and parents alike Join the conversation at www.thegoodgirlrevolution.com *Bibliotherapy* Beverly West,Nancy Peske,2008-12-10 Because women read books differently than guys do Every woman knows books are more than a way to kill time on the bus they re therapy that fits in our bag Whether we re wallowing in a sullen perennial adolescence or our biological clock is ringing and we can t find the snooze button books are the dog eared friends that help us deal with our baggage as we navigate life s journey Now Bibliotherapy prescribes the best of classic and contemporary Chick Lit that women turn to again and again for inspiration A Tree Grows in Brooklyn for escape Ladder of Years for revenge against the patriarchy Our Blood and for bonding with our girlfriends Waiting to Exhale Upper thigh spread sparking a midlife crisis Read A Lady s Life in the Rocky Mountains and remember that it s not over until the fat lady yodels Did your pot of gold turn out to be fourteen karat tin Open your eyes with Awakening to the Sacred and learn to savor your rainbow Wondering what all the fuss is about Climb into bed with Lady Chatterley s Lover and explore your pleasure potential With provocative points to ponder as you read What is the metaphorical significance of a codpiece fun quotes and a list of books that must not be read but in Dorothy Parker s words thrown with great force Bibliotherapy ensures you ll always find the right literary prescription no matter what phase of life you re teetering on the brink of Plus Doomed but Inspired Heroes Books to Read When You re Sick of Your Career and Are Seriously Considering Taking Up Alpaca Ranching in Peru Bad Girls We d Like to Have Over for Girls Night Books That Are the Equivalent of Citronella for Men and much more From the Trade Paperback edition Woman's Suffrage ,1913 We Should All Be Millionaires Rachel Rodgers,2021-05-04 Are you ready to fill your life with more peace power and joy We Should All Be Millionaires details a realistic achievable step by step path to creating the support confidence and plan you need to own your success and become the millionaire the world needs you to be Only 10 percent of the world s millionaires are women making it difficult for women to wield the economic power that will create lasting equality Whatever is stopping you from having seven figures in the bank whether it s shaky confidence knowledge gaps when it comes to wealth building tactics imposter syndrome a janky mindset about money it s okay we ve all been there or simply not knowing where to begin this book shows you how to clear every obstacle in your way show up and glow up We Should All Be Millionaires will forever change the way you think about money and your ability to earn it In this book Rachel Rodgers a Black woman mother of four attorney business owner and self made millionaire shares the lessons she s learned both in her own journey to wealth and in coaching hundreds of women through their own journeys to seven figures Inside you ll learn Why earning more money is not selfish or greedy but in fact a revolutionary act that brings the economy into balance and creates a better world for all Why most of the financial advice you ve heard in the past like skip your daily latte to save money is absolute patriarchal nonsense An eye opening history lesson on how women and people of color have been shut out of the ability to build wealth for centuries and how we can fix this How to stop making broke ass decisions that leave you
