

## *A Teacher's Farewell*

*For years you've shaped the minds and hearts,  
With wisdom, patience, care,  
Now comes a time to rest, depart,  
A new path waits somewhere.  
The lessons taught, the lives you've touched,  
A legacy so bright,  
In each young soul you've gently nudged,  
A future filled with light.  
Now may your days be filled with peace,  
With joy in all you do,  
Retirement's gift, a sweet release,  
And time to just be you.*

*Thank you for all the incredible years  
of dedication and inspiration*

*Goodbye Trust* Dick Stroud, 2024-07-24 A healthy and prosperous society needs efficient and trusted institutions Yet the West is experiencing plummeting levels of trust in academia the media politics business the justice system and financial regulators Unhappiness and mental health problems are skyrocketing especially among the young What the hell is going on Everybody has their pet theory it s because of the pandemic social media is addling our minds it s all Donald Trump s fault Or as Elon Musk believes it s the woke mind virus You know what I think it might be a bit more complicated I wasn t satisfied with these superficial explanations After lots of research and questioning I now understand what s happening Much of what I discovered is disturbing some is scary and a few details are even amusing These nine essays present my findings Six focus on the institutions and additional essays explore language manipulation and the new moral and political divides The final essay examines those common afflictions destroying our institutions to make sense of it all This haemorrhaging of trust has disturbing consequences and the woke explanation for what s happening doesn t begin to address the complexity of the situation Sadly good old fashioned incompetence deceit and vanity are to blame
