## **Gordon English Edition:**

**Thomas Jefferson** Francis D. Cogliano, 2008 An exceptionally well researched and persuasively written book that asks who Jefferson was in new and exciting ways This is a book that needed to be written and happily is one that was undertaken by an exceedingly thorough judicious open minded and creative historian Andrew Burstein University of Tulsa author of Jefferson's Secrets Death and Desire at Monticello Francis D Cogliano's splendid book demonstrates that history is indeed an argument between past and present about the future Offering formidable research deployed with grace and skill in the service of a powerful and well crafted argument this study will be essential reading It illuminates in myriad ways the history that Jefferson made and historians ongoing struggles to figure out what to make of Jefferson Further it enriches our understanding of the interactions between history and memory in American culture It deserves a wide and enthusiastic readership not just for the moment but for years to come R B Bernstein New York Law School author of Thomas Jefferson Thomas Jefferson continues to enthrall excite and enrage academics students and members of the American public This book provides a useful study of Jefferson's construction of his own historical image and the reconstructions of that image that have occurred over the past half century Simon Newman University of Glasgow In Thomas Jefferson Reputation and Legacy Francis D Cogliano looks at both the impact Jefferson had on his historical moment and the considerable lengths to which he went to secure his legacy Beginning by locating Jefferson's ideas about history within the context of eighteenth century historical thought Cogliano then considers the efforts Jefferson made to shape the way the history of his life and times which he thought crucial to the success of the republican experiment would be written The second half of the book reflects on the mixed results from his time to the present of Jefferson's efforts to shape historical writing through his careful preservation of most of his personal and public papers and through the institutions he left behind his home Monticello and the University of Virginia Engaging with recent scholarship's attention toward Jefferson's views on race class and gender Thomas Jefferson Reputation and Legacy is a must read for anyone interested in Jefferson in his own time or the legacy he worked so hard to create Francis D Cogliano is a Reader in History at the University of Edinburgh He is author of Revolutionary America 1763-1815 A Political History Jeffersonian America J.K. Rowling: A Bibliography 1997-2013 Philip W. Errington, 2015-02-26 As someone who respects comprehensive research I am in awe of the level of detail and amount of time Philip Errington has dedicated to this slavishly thorough and somewhat mind boggling bibliography J K Rowling This is the definitive bibliography of the writings of J K Rowling In addition to complete bibliographic details of each edition of all her books pamphlets and original contributions to published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction This will be the first source on Rowling consulted by textual scholars book dealers and collectors auction houses critics and researchers The aim of the book is to record fact and dispel rumour on the fascinating publishing history of the Harry Potter series J.R.R. Tolkien Encyclopedia

Michael D. C. Drout, 2007 A detailed work of reference and scholarship this one volume Encyclopedia includes discussions of all the fundamental issues in Tolkien scholarship written by the leading scholars in the field Coverage not only presents the most recent scholarship on J R R Tolkien but also introduces and explores the author and scholar s life and work within their historical and cultural contexts Tolkien s fiction and his sources of influence are examined along with his artistic and academic achievements including his translations of medieval texts teaching posts linguistic works and the languages he created The 550 alphabetically arranged entries fall within the following categories of topics adaptations art and illustrations characters in Tolkien s work critical history and scholarship influence of Tolkien languages biography literary sources literature creatures and peoples of Middle earth objects in Tolkien s work places in Tolkien s work reception of Tolkien medieval scholars scholarship by Tolkien medieval literature stylistic elements themes in Tolkien s works theological philosophical concepts and philosophers Tolkien s contemporary history and culture works of literature
