Slaying the Dragon T.K. Leigh, 2015-10-13 I should have resisted him but I was too weak to fight the devil himself And Tyler Burnham is the devil He used me He lied to me But he loved me He still does Mackenzie Delano never wants to hear the name Tyler Burnham again Never wants to feel her soul ignite from his simple touch Never wants to be reminded of how foolish she was to let him into her life and her heart Unfortunately it s not as simple as she wishes Not when he managed to do the one thing she never thought possible He taught her how to love again Except none of it was real Or so she thinks Tyler Burnham thought he experienced loss and heartache before but that was nothing compared to the excruciating pain consuming him every minute of every day since he watched Mackenzie walk out of his life As he tries to make peace with the role he played in betraying her trust he tries to find a way to prove that his feelings for her are true That the love they shared is real That he would walk through fire to keep her at his side That he would sacrifice it all his career his fortune his life to protect her That he would gladly slay the dragons that have tormented her for too long now As he digs deeper into the conspiracy surrounding her father and the tangled web of secrets unravels he realizes he may just have to Slaying the Dragon is the jaw dropping conclusion to T K Leigh s Deception Duet Grab your copy today Topics contemporary romance military romance series romantic suspense series mystery modern romance urban romance Boston Massachusetts Texas South Padre Island Colombia multicultural romance Spanish CIA Army Army Ranger schizophrenia Boston romance wealthy USA today USA today bestseller steamy romance suspenseful romance hot romance T K Leigh T K Leigh romance second chance romance musician music romance new york sexy page turner amnesia love love books kissing books emotional journey angst alpha male possessive intrigue dominant contemporary contemporary romance romance series long series long romance series navy navy SEAL series former military security romance private security romance billionaire billionaire romance wealthy hero protect damsel in distress assault drama action and adventure action romance former soldier soldier romantic military emotional HEA alpha dom childhood friends young love strong female sensual angst betrayal boston fated love psychological tortured hero corruption crime thriller hot love story

Promise T.K. Leigh, She s his sister s best friend She thinks he never noticed her She couldn t be more wrong I hate Andrew Brinks Especially after my best friend s older brother made it clear to anyone with a Y chromosome that I m off limits I already have one incredibly overprotective father I don t need another person in my life doing everything in his power to keep the opposite sex away from me But as the summer goes on Drew s eyes seem to linger on my lips a little longer His stare rakes over my long legs when he doesn t think I m looking His gaze dips to my chest more than one would deem appropriate I try to convince myself I m imagining things After all what can Mr Popularity and star hockey player Andrew Brinks possibly see in his sister s virgin best friend Turns out he sees a lot more than I gave him credit for But it ll take more than a mutual attraction for us to be together It ll mean risking everything important to him And I m not sure I m worth the risk Promise is an extended prologue to T K Leigh s Redemption
