books This self teaching German workbook presents grammar and vocabulary in interesting lessons augmented by amusing
stories and anecdotes Includes practice exercises tests an answer key and a table of the most often used German verbs

The Concise Cinegraph ans-Michael Bock,,im Bergfelder, 2009-09-01 This comprehensive guide is an ideal reference
work for film specialists and enthusiasts First published in 1984 but continuously updated ever since CineGraph is the most
authoritative and comprehensive encyclopedia on German speaking cinema in the German language This condensed and
substantially revised English language edition makes this important resource available to students and researchers for the
first time outside its German context It offers a representative historical overview through bio filmographical entries on the
main protagonists from the beginnings to the present day Included are directors and actors writers and cameramen
composers and production designers film theorists and critics producers and distributors inventors and manufacturers An
appendix includes short introductory essays on specific periods and movements such as Early Film Weimar Nazi Cinema
DEFA New German Cinema and German film since unification as well as on cinematic developments in Austria and
Switzerland Sections that crossreference names around specific professional groups and themes will prove equally invaluable
to researchers

Comrades in Arms Tom Smith, 2020-02-03 Without question the East German National People s Army
was a profoundly masculine institution that emphasized traditional ideals of stoicism sacrifice and physical courage
Nonetheless as this innovative study demonstrates depictions of the military in the film and literature of the GDR were far
more nuanced and ambivalent Departing from past studies that have found in such portrayals an unchanging idealized
masculinity *Comrades in Arms* shows how cultural works both before and after reunification place violence physical
vulnerability and military theatricality as well as conscripts powerful emotions and desires at the center of soldiers lives and
the military institution itself German Glück Sabine Eichhorst, 2017-10-02 Die Deutschen haben einfach kein Talent zum Gl
