

Love Maps Questionnaire

*Adapted from John Gottman,
The Seven Principles for Making Marriage
Work*

By giving honest answers to the following questions, you will get a sense of the quality of your current love maps. For the most accurate reading of how your marriage is doing on this first principle, both of you should complete the following.

Read each statement and circle T for "true" or F for "false."

1. I can name my partner's best friends. **T F**
2. I can tell you what stresses my partner is currently facing. **T F**
3. I know the names of some of the people who have been irritating my partner lately. **T F**
4. I can tell you some of my partner's life dreams. **T F**
5. I am very familiar with my partner's religious beliefs and ideas. **T F**
6. I can tell you about my partner's basic philosophy of life. **T F**
7. I can list the relatives my partner likes the least. **T F**
8. I know my partner's favourite music. **T F**
9. I can list my partner's three favourite movies. **T F**
10. My spouse is familiar with my current stresses. **T F**
11. I know the three most special times in my partner's life. **T F**
12. I can tell you the most stressful thing that happened to my partner as a child. **T F**
13. I can list my partner's major aspirations and hopes in life. **T F**
14. I know my partner's major current worries. **T F**
15. My spouse knows who my friends are. **T F**
16. I know what my partner would want to do if he or she suddenly came into a lot of money. **T F**
17. I can tell you in detail my first impressions of my partner. **T F**
18. Periodically I ask my partner about his or her world right now. **T F**
19. I feel that my partner knows me pretty well. **T F**
20. My spouse is familiar with my hopes and aspirations. **T F**

Scoring: Give yourself one point for each "true" answer.

10 or above: This is an area of strength for your marriage. You have a fairly detailed map of your spouse's everyday life, hopes, fears, and dreams. You know what makes your spouse "tick."

Below 10: Your marriage could stand some improvement in this area. Perhaps you never had the time or the tools to really get to know each other. Or perhaps your love maps have become outdated as your lives have changed over the years. In either case, by taking the time to learn more about your spouse now, you'll find your relationship becomes stronger.

[10 Principles for Doing Effective Couples Therapy](#) Julie Schwartz Gottman, John M. Gottman, 2015-10-26 From the country's leading couple therapist duo, a practical guide to what makes it all work. In *10 Principles for Doing Effective Couples Therapy*, two of the world's leading couple researchers and therapists give readers an inside tour of what goes on inside the consulting rooms of their practice. They have been doing couples work for decades and still find it challenging and full of learning experiences. This book distills the knowledge they've gained over their years of practice into ten principles at the core of good couples work. Each principle is illustrated with a clinically compiled case plus personal side notes and storytelling. Topics addressed include: You know that you need to treat the relationship, but how are you supposed to get at something as elusive as a relationship? How do you empathize with both clients if they have opposite

points of view Later on if they end up separating does that mean you've failed Are you only successful if you keep couples together Compared to an individual client a relationship is an entirely different animal What should you do first What should you look for What questions should you ask If clients give different answers who should you believe What are you supposed to do with all the emotional and personal history that your clients stir up in you How can you make your work research based No one who works with couples will want to be without the insight guidance and strategies offered in this book *Family Psychology* William M. Pinsof, Jay L. Lebow, 2005-09 *Family Psychology The Art of the Science* moves the field of family psychology toward greater scientific sophistication and excellence by bringing together some of the best researchers in family psychology and giving them the opportunity to reflect together on the state of their research This book is composed of five developmentally informed mini books or manuals on major areas of great social and health relevance marriage depression divorce and remarriage partner violence and families and physical health Each manual critically examines the existing research in its area systematically illuminating new directions for future research and discussing a wide range of relevant issues and diverse populations *Family Psychology* provides the next generation of theorists researchers and therapists with an in depth and fresh look at the paths that have already been traveled as well as the paths that remain to be explored *Family Psychology* is an indispensable companion for scientists and practitioners interested in a road map for family psychology The reflections of the top researchers in each area will sharpen the research knowledge and expertise of scientists and practitioners in these and related areas For younger and more experienced researchers as well as for those contemplating entering the field the authors point to pathways and strategies for unraveling the key challenges in each area offering well researched and compelling insights to guide future investigation **BOOK JACKET Comprehensive**
