

National Public School, Graduation Day, 2013 Speech

By Sanjay Sahay

Intro - MBA@16-Facebook Faceoff- share experiences- verge of making entry

For all of you familiar with MBA @16, Subroto Bagchi, India's celebrated business author's latest book, in the chapter titled Facebook Faceoff I address the student fraternity of NPS on Innovation. From the imaginary to the real, I am here to share some of experiences as a parent and speak out a bit of my mind to the youngsters to are on the verge of making entry into the real world so full opportunities, as never before in human history, nonetheless, marred with cut throat competition.

Address - Thanks - Providing an opportunity - Only Child

Dr. Gopalakrishna, Chairman, Chief Guest of today's function Mr. Matthew Sullivan, Principal Mrs. Shanta Chandran, faculty members, parents, and at the center of it all my dear student friends. At the outset I thank the school management for having invited me as a parent and also for providing an opportunity to resonate on their behalf. I have only one child and but for this stage I would not have got a second one, to speak more of my heart and less of my mind.

Entry roller coaster - level of serenity

Tanmay's entry into this school was a roller coaster one, as it happens if it is a lateral entry, as was his in class 5. But to the complete credit of the school, near instantaneously, I felt a level of serenity with regards to his education, not experienced while he studied in other schools.

Gurukul - Guru/Shishya Paramapara - 360 degrees growth

As wit is a way of life for me, in a lighter vein, I often said that this school is a gurukul, as it lacked some much touted infrastructural facilities of a few schools. In reality it embodies all the positives of the famed guru shishya parampara. The teachers hold themselves responsible for the complete all round growth of the child, 360 degrees as in management jargon, the mental, physical and moral well being.
