Resolve noun: to decide something and be determined not to change your mind. Resolve is a book of promise, a promise you always have made to yourself countless times but never fulfilled it because you didn't know how to. The promise that starts with chanting "I will heal, I will heal in your mind." Healing, I believe, is one thing that scares us the most because letting go isn't easy. The compiler of RESOLVE chose healing because she wanted every broken piece of you to heal with the help of the soothing balm words as you read about healing. The purpose of this book is to bring to you the stories and journeys of others like you. We wish you find one way among many given here to heal your wounded soul. Be resolute.
