How members are empowering consumers to make healthier choices

Progress against Resolutions

Out of a survey base of 78 respondents in 2015 and 102 in 2016, respondents that established policies and activated programs on:

Commitments completion¹ rates

Due to differing company types, not all Resolutions and Commitments are applicable to every company, so the percentages shown in the charts do not necessarily reflect the entire survey respondent population.

¹ Completion rate includes only those respondents that reported having already implemented the Commitment, not those that reported expecting to complete the Commitment ahead of the deadline (2014 for Commitments A & B, 2016 for Commitments C & D). Figures exclude companies that reported "not applicable" and companies that left the question blank.
